WITNESS:

Connors, Mike, DOB/1-12-59

Denver, Co. 80202

INVESTIGATION:

On 9-7-99 CBI Agent Robert Brown received a phone call from an acquaintance by the name of Mike Connors. Connors is a free-lance reporter and a part-time producer of public information shows. Connors told Agent Brown that he had an Internet conversation and a telephone conversation with Dylan Klebold prior to 4-20-99

Agent Brown prepared a memo reference his phone conversation with Mike Connors, which was forwarded to the Columbine Task Force. A copy of that memo is attached to this report.

On 11-16-99 I spoke to Mike Connors on the telephone reference his reported conversations with Dylan Klebold. Connors could not recall an exact date, but stated that his conversations with Dylan Klebold took place on a Saturday approximately one to four weeks prior to 4-20-99. Connors stated that he was in a chat room on his computer. This was a Denver chat room through America On Line. Connors stated that he was viewing personal profiles when he read one that was disturbing. The profile was of Dylan Klebold. The profile read in part that he was a student at Columbine High School, he hated jocks and that he was either anti-religion or anti-Christian, Connors couldn't remember which. The personal quote read that he wanted to kill students at his high school.

Connors stated that he covered the Oklahoma City bombings as a reporter and seeing Klebold's profile concerned him. Connors sent Klebold a personal message and then had a conversation with him on the Internet. Connors told Klebold that he had covered the Oklahoma City Bombings as a reporter. He then asked Klebold why he wanted to kill the students at his high school. Klebold responded by saying that ¼ of the students deserved to die. Connors asked him why. Klebold stated that the students had picked on him and that they were mean and judgmental. Connors stated that he then attempted to explain the impact the Oklahoma City bombings had on the victims, their families and how it ruined so many lives. Connors stated that Klebold asked him a couple of general questions about the Oklahoma City bombings. Connors stated

that Klebold asked about the press coverage and how the bombing affected people. Connors stated that Klebold also spoke about Eric Harris. Klebold referred to Eric Harris by name and told Connors that he and Harris were lovers. Connors stated that Klebold also sent him photographs of him and Eric Harris through the computer. Connors told me that he thinks the photos were yearbook photos. Connors stated that he still may have the photograph of Dylan Klebold. Connors stated that he gave Dylan Klebold his home phone number and Klebold telephoned him on the same afternoon that they had the Internet conversation. When Klebold telephone him, Connors stated that the name Klebold did appear on his caller ID. SUBJECT: Columbine shooting April 20, 1999

On September 07, 1999, I got a call from an old acquaintance by the name of Mike Connors 303 615-5267. Connors is a freelance reporter and part-time producer of public information shows. Connors was calling for a favor, however I was unable to help him. During our phone conversation he volunteered that he had been "chatting" with Dylan Klebold on the Internet prior to the April 20, 1999 shooting at Columbine. The reason for the chat session, according to Connors was that Connors had just finished a PBS story on the Oklahoma City bombing case and he was on the net talking to others when Klebold entered the chat room with a curious interest in Connors' story.

Connors and Klebold became friendly and exchanged phone numbers. Some time later Klebold called Connors and they talked more about the Oklahoma City bombing. Connors believed that Klebold was gay and was "hitting on Connors".

Connors tells me that he has never told anyone, particularly law enforcement of his encounter with Klebold. Connors is available for an interview should you wish to talk to him.

If you have someone interview Connors have them see me first as I can provide background on Connors.

Subject: I heard of this five years ago

Dear sir;

My name is Martin Middleton (not Omar, I am using his email account) and I was a volunteer ski instructor at the Winter Park handicap program for eight years. Currently I am working as a youth counselor at the Ramsey County curfew center here in Minnesota. The Deputies at work thought I should contact you regarding what I knew of the attempted bombing.

Five years ago I spent the day skiing with a kid from the Jefferson Co school district. It may have been Dylan, or more likely a friend of Eric and him. The face in my memory doesn't seem to match the face on the TV. This 13 to 14 year old kid spent the day describing the trenchcoat mafia and also explained in detail how the trenchcoat mafia was going to blow-up Columbine high school and that all the jocks were in for a surprise. The more that I challenged him about his means to carry out such a feat the more details he would yield to me. This kid wasn't even in high school yet. So how could I believe that what he was telling me could possibly happen. His claim that the school would be blown up on the Hitler's 110 birthday seemed ridiculous. Everything that he told me has been on the news the last few days. He even told me that the attack would be during daylight and that he could get help to bring in the propane tanks before hand. Wherever I was on Hitler's 110 birthday I would here about Columbine High School.

The Winter Park Handicap ski program is now called the National Sports Center for the disabled, and they keep records of all the kids that have skied with them as well as the volunteers that provided the lesson.

I thought it important that you know that this plan to blow-up the school was hatched at least 5 years ago, and judging by his thorough explanation of the plot it seems to me that he might have had help from someone older. I thought that this information may help your investigation. He described how the bombs could be made and was adamant that the trenchcoat mafia wasn't just a bunch of lonely depressed kids, but was much larger.

I'm not much of a writer so if you wanted to call me I'd be happy to tell you everything else that I can remember from that day, however it seems that the only info that I have for you is that of the extensive time line and that they had at least another accomplice who's name may be in a filing cabinet at the NSCD.

DESCRIPTION OF ACTIVITY:
Telephone interview with James (Martin) Middleton.

SYNOPSIS:
On 5/10/1999, SA Traver contacted James Middleton at (651)770-1898, base on an E-Mail message he'd sent to the Jefferson County S.O.. The E-mail message entailed a meeting between Middleton, and either Harris or Klebold or a friend of Thiers about 4-5 years ago at Winter Park Ski Resort. At which time the youth described shooting and bombing Columbine High School on Hitler's 110th birthday.

- NARRATIVE:**
- On 5/10/99, SA Traver received at return phone call from James Middleton at the Columbine task force.
 - Middleton stated that he had been a volunteer ski instructor at Winter Park, working with the Winter Park Handicap program, which is now the National Sports for the disabled. He was working in 1994 when he encountered who he believed to be Dylan Klebold. Klebold's mother worked with handicapped kids and Dylan had come along during one of these outings.
 - Middleton stated that Klebold talked about shooting and bombing Columbine High School, due to the fact he did not care for the elitist mentality of the "jocks", during events like Homecoming and Prom.
 - That it was his understanding that Dylan had attempted to commit suicide. That everything that has been discussed on television in reference to propane bombs, putting pipe bombs on propane tanks, the bombs possibly being place earlier in the week, and help from an adult, Dylan spoke about that day.
 - Middleton stated that he became argumentative with Klebold, telling him there was a good chance he may be killed if he pursues this endeavor. Klebold was indifferent about

MICHAEL PROCTOR (PROTECT IDENTITY BY REQUEST), Legal Counsel, Attorney's Office, UNIVERSITY OF ARIZONA (UA), address at Administrative Building, Room 103, UA, Tucson, Arizona, telephone 520-621-3175, was contacted and advised of the identity of the interviewing agent and the purpose of the interview. PROCTOR provided the following information:

PROCTOR requested that his identity be protected because he felt he was technically violating the university's rules concerning the providing of information on students to outside agencies.

There were a total of six (6) COLUMBINE HIGH SCHOOL (CHS) students who had applied to UA this year, one of whom was DYLAN KLEBOLD. PROCTOR had personally reviewed all six of the CHS applications. PROCTOR declined to identify the other five students over the telephone, citing privacy reasons.

Each UA applicant had to write an essay as part of the application process. KLEBOLD's essay discussed his being involved in drama and of a "big production" which he planned for the Spring, 1999. PROCTOR thought in light of the CHS attack in April, 1999, this was an odd statement for KLEBOLD to make.

PROCTOR recalled besides KLEBOLD's application, another CHS student had indicated similar interests and was also involved in the drama department at CHS. This applicant also indicated that a "big production" would take place during the Spring, 1999. PROCTOR did not know whether the two knew each other, but thought it was unusual they used similar phrases in their respective applications. PROCTOR could not recall the name of this student, but knew he was definitely not ERIC HARRIS.

PROCTOR requested if law enforcement investigating the CHS shootings wished to obtain copies of these six applications, that a subpoena be sent directly to him at his above-listed work address. The subpoena should be directed specifically as follows:

PROCTOR requested the subpoena be generic in nature and simply request that any and all UA records pertaining to CHS student applications be provided to law enforcement. PROCTOR also recommended placing an additional order which stipulated that the applicants whose files were provided would not be notified of this fact.

Students were required by university regulations to be notified if their records were provided to outside agencies.

To the Outdoor Club, The views tower over us, cascading and lush they were, as I wound my way down the muddy red trail. It was wonderful. Ate a chili we stood, the crimson peaks rising up around us and then Bill and I jumped onto our two pillars of sandstone. It was inspiring. My fingers gripped the wall, muscles pulling me to realize my goal. It was rewarding. Now I see the world from the top of this peak, and I say this in the name of most of all. ... Well, it seems the boys did a pretty good job in finding what the girls like in fashion. Do the girls know what the guys like? Here's what the guys think...

Sergio: Looks confused. Which one is the casual? Sarah: This one. She points to the largest one on the poster. Sergio: Wow! That's way too flashy. I don't know any one— Craig: V-neck? Wife-beater— Sergio: Sarrastically. Okay, let's get some tight leather pants in there. Penny: They're corduroys! Sergio: Points to the smallest guy on the poster. What are these then? Craig: Sarcasically. The guys are wearing tight leather pants in all three spots. Girls: Laughter. The boys definitely do not agree with what the girls have constructed. Sergio: I really don't know honestly, a lot of guys who would wear a V-neck and a wife-beater as a dress up outfit. That's kinda new to me. I don't think you could really walk into in office doing that. Mocks the evening-wear guy the girls constructed. Sarah: Yeah, why not? Defends her fellow group member. No answer, Sergio quickly changes to another guy...back to the devil-headed skate-

we know now is that guys and girls obviously look at style in a different way. Not only do boys and girls disagree with style, but so do members of the same sex. To be brief in explaining the style of "our generation," one would have to say it's a mixture of... well, everything. It is too difficult to explain. We are a mixture of all generations, tight-rolled, flashy-colored, and even tighter-than-comfort. So, the question of what style is can never be answered. "Our style" is for many things.

RE: CONTROL # 2317

IDENTIFY STUDENTS IN BOWLING CLASS:

RE: VIDEO / ITEM #265

(SEE RELATED CN #2087)

On April 29, 1999 I investigated Control # 2087 which provided lead to interview Columbine High School Teacher, Kristine MaCauley in an effort to ascertain whether Eric Harris was at the early morning bowling class on 042099.

This related lead was completed, as well as identifying the 71 students registered for the class. Also obtained was a score sheet for that day. A review of this score sheet discovered a total of 13 students had their averages entered in place of new scores, indicating their absence on April 20, 1999.

The bowling teams were comprised of four persons which were self-picked by the students. Eric HARRIS and Dyan KLEBOLD were on the same team, along with Christopher MORRIS and Nate DYKEMAN.

The score sheet, as well as the teacher, indicated HARRIS, KLEBOLD and MORRIS were absent on April 20, 1999. Nathan DYKEMAN was the only person on the team to have bowled that day.

The complete list of students registered as students in Kristine MaCauley's bowling class, from control #2087, is included with this report.

** NO new leads generated.

Judith Kelly, 8160 West Baker Avenue, Lakewood, Colorado 80227, telephone number: (303)989-2201, was advised of the identity of the interviewing agent and sergeant and the nature of the interview.

Information was received that Columbine High School counselor, Brad Butts and teacher, Judith Kelly were reportedly concerned about a creative writing paper Dylan Klebold wrote which detailed a planned shooting involving the Trenchcoat Mafia.

Kelly was advised that the above information was received and she voluntarily provided the following information:

Kelly stated that she is an English teacher at Columbine High School and Dylan Klebold was her student for a creative writing class. She advised that Klebold wrote a story for class as part of an assignment given to the students. Kelly reported that it was well written but very disturbing. She stated that she made a copy for the school counselor, Brad Butts and believes she returned it to Klebold after she graded it. She is not sure if she kept a copy which would be at the school. Kelly thought Klebold may have typed it on the school computer located in the Tech Lab. The teacher for the Tech Lab is Rich Long and the Lab Assistant is Peggy Dodd.

Kelly stated that the paper did not mention the Trenchcoat Mafia but remembers that it was about a man arriving in a town with guns who kills the popular type kids. The end of the story portrays this man or implies that this man is a God like figure. Kelly stated it was very well written, "literary and ghastly". She believes it was written in late February or early March of 1999. Kelly discussed the paper with Klebold stating its cruel and disturbing. She advised that Klebold replied that its just a story. She advised him she found it offensive. Kelly also stated she spoke to Klebold's parents at length about him handing in a disturbing story. Kelly stated that they did not seem worried and made a comment about trying to understand kids today. Kelly advised that her classroom is LA-8 (Language and Arts).

Following the interview, Kelly paged SA Lipka to add that she was not sure if Klebold actually wrote the paper or if he plagiarized it.

Subsequently, on 05/04/99, SA Lipka and Sgt. Conroy proceeded to Columbine High School crime scene and located LA-8 classroom. In the classroom, SA Lipka located the paper described above in addition to papers written by Eric Harris, Nate Dykeman and Brooks Brown. Upon return to the Command Post, SA Lipka provided these papers, in an evidence bag, to Lead Investigator, Kate Battan, on 05/04/99.

4-20

Neither Dylan nor Eric were in class today 4th hour, Creative Writing. Eric never misses class. Several weeks ago during a short story writing unit, Dylan wrote the most vicious story I have ever read. It concerned a man walking into a town and "blowing away" all the popular kids. I told Dylan the story was violent and unacceptable - vicious (indeed I made a copy for his counselor (Brent Butts)) I also talked it over with his parents. Dylan simply remarked, "It's just a story." Eric frequently makes machine-gun ^{shootin'} gestures and writes Marine-type creative stories.

Today 4:20 is perhaps a marijuana-related anniversary since Dead Heads and others smoke marijuana everyday at 4:20.

The town, even at 1:00 AM, was still bustling with activity as the man dressed in black walked down the empty streets. The moon was barely visible, hiding under a shield of clouds, adding a chill to the atmosphere. What was most recognized about the man was the sound of his footsteps. Behind the conversations & noises of the town, not a sound was to be heard from him, except the dark, monotonous footsteps, combined with the jingling of his belt chains striking not only the two visible guns, in their holsters, but the large bowie knife, slung in anticipation of use. The wide-brimmed hat cast a pitch-black shadow of his already dimly lit face. He wore black gloves, with a type of metal spiked-band across the knuckles. A black overcoat covered most of his body, small lines of metal & half-inch spikes layering upper portions of the shoulders, arms, and back. His boots were newly polished, and didn't look like they had been used much. He carried a black duffel bag in his right hand. He apparently had parked a car nearby, & looked ready for a small war with whoever came across his way. I have never seen anyone take this mad-max approach in the city, especially since the piggies had been called to this part of town for a series of crimes lately. Yet, in the midst of the nightlife in the center of the average-sized town, this man walked, fueled by some untold purpose, what Christians would call evil. The guns slung on his belt & belly appeared to be automatic hand guns, which were draped above rows of magazines & clips. He smoked a thin cigar, and a sweet clovesque scent emanated from his aura. He stood about six feet and four inches, and was strongly built. His face was entirely in shadow, yet even though I was unable to see his expressions, I could feel his anger, cutting thru the air like a razor. He seemed to know where he was walking, and he noticed my presence, but paid no attention, as he kept walking toward a popular bar. The Watering Hole. He stopped about 30 feet from the door, and waited. "For whom?" I wondered, as I saw them step out. He must have known their habits well, as they appeared less than a minute after he stopped walking. A group of college-preps, about nine of them, stopped in their tracks. A couple of them were mildly drunk, the rest sober. They stopped, and stared. The streetlights illuminating the bar & the sidewalk showed me a clear view of their stare, full of paralysis & fear. They knew who he was, & why he was there. The second-largest spoke up "What're you doin man..... why are you here...?" The man in black said nothing, but even at my distance, I could feel his anger growing. "You still wanted a fight huh? I meant not with weapons, I just meant a fist fight....cmon put the guns away, fuckin pussy!" said the largest prep, his voice quavering as he spoke these works of attempted courage. Other preps could be heard muttering in the background; "Nice trench coat dude, that's pretty cool there...." "Dude we were jus messin around the other day chill out man..." "I didn't do anything, it was all them!!" "... cmon man you wouldn't shoot us, were in the middle of a public place..." Yet, the comment I remember the most was uttered from the smallest of the group, obviously a cocky, power hungry prick. "Go ahead man! Shoot me!!! I want you to shoot me!! Heheh you wont! Goddam pussy." It was faint at first, but grew in intensity and power as I heard the man laugh. This laugh would have made Satan cringe in Heil. For almost half a minute this laugh, spawned from the most powerful place conceivable, filled the air, and thru the entire town, the entire world. The town activity came to a stop, and all attention was now drawn to this man. One of the preps began to slowly move back. Before I could see a reaction from the preps, the man had dropped his duffel bag, and pulled out one of the pistols with his left hand. Three shots were fired. Three shots hit the largest prep in the head. The shining of the streetlights caused a visible reflection off of the droplets of blood as they flew away from the skull. The blood splatters showered the preps buddies, as they were to paralyzed to run. The next four preps were not executed so systematically, but with more rage from the man's hand cannon than a controlled duty for a soldier. The man unloaded one of the pistols across the fronts of these four innocents, their instantly lifeless bodies dropping with remarkable speed. The shots from that gun were felt just as much as they were heard. He pulled out his other pistol, and without changing a glance, without moving his death-stare from the four other victims to go, aimed the weapon out to the side, and shot about 8 rounds. These bullets mowed down what, after he was dead, I made out to be an undercover cop with his gun slung. He then emptied the clip into two more of the preps. Then, instead of reloading & finishing the task, he set down the guns, and pulled out the knife. The blade loomed huge, even in his large grip. I now noticed that one of two still alive was the smallest of the band, who had now wet his pants, and was hyperventilating in fear. The other one tried to lunge at the man, hoping that his football tackling skills would save his life. The man sidestepped, and made two lunging slashes at him. I saw a small trickle of blood cascade out of his belly and splashing onto the concrete. His head wound was almost as bad, as the shadow formed by the bar's lighting showed blood dripping off his face. The last one, the smallest one, tried to run. The man quickly reloaded, and shot him thru the lower leg. He instantly fell, and cried in pain. The man then pulled out of the duffel bag what looked to be some type of electronic device. I saw him tweak the dials, and press a button. I heard a faint, yet powerful

able active voice which

explosion, I would have to guess about 6 miles away. Then another one occurred closer. After recalling the night many times, I finally understood that these were diversions, to attract the cops. The last prep was bawling & trying to crawl away. The man walked up behind him. I remember the sound of the impact well. The man came down with his left hand, right on the prep's head. The metal piece did its work, as I saw his hand get buried about 2 inches into the guy's skull. The man pulled his arm out, and stood, unmoving, for about a minute. The town was utterly still, except for the faint wail of police sirens. The man picked up the bag and his clips, and proceeded to walk back the way he came. I was still, as he came my way again. He stopped, and gave me a look I will never forget. If I could face an emotion of god, it would have looked like the man. I not only saw in his face, but also felt emanating from him power, complacency, closure, and godliness. The man smiled, and in that instant, thru no endeavor of my own, I understood his actions.

Captain Harris
Jefferson County Sheriff's Department
Golden, CO

Dear Captain Harris,

As an introduction, I teach psychology at Columbine High School. Both Eric Harris and Dylan Klebold were enrolled in my 5th hour psychology class this semester.

I attended a meeting this morning where the staff was asked to provide a list of students connected, in some fashion, to Harris and Klebold. This is what I have:

Computer/Video Production: (current students at CHS unless noted)

Gary Talacka - Video instructor
Zach Heckler
Nate Dykeman
Tim Kastle
Joel McCormick
Ryan Selchert
Jeff Hulse
John Ladd
Mollie Weksler
Holly Turner
James Davis
Eric Andreano
Yoshi Carroll
Andy Robinson
Brooks Brown
Richard Long - Chairman, Technology Department
Peggy Dodd - Aide, Tech Lab
Chris Tabaldo - current drop-out and a hacker

JC-001-010471

Black coat group:

Robert Perry, a transfer from Golden High School and currently not attending CHS, is around CHS a great deal of the day. He is in the same mode, as Harris and Klebold. The word that I get from the kids is that his father is a collector and has an arsenal.

5th hour psychology:

A class list will follow under a separate fax. Note the names, Harris, Klebold, Dykeman and Kastle. Also from this list, please note **Kristi Epling**. She is very smart and knows something about what went down. I found her upset, yesterday in Clement Park, and she intimated that she knew that it might be going down.

Brooks Brown: As I reported to a Lakewood Police-person at the scene, Brooks Brown flagged me down. My passenger was Rick Bath, teacher at CHS. Brooks said that he had seen Eric coming into Columbine carrying a strange duffel bag. Brooks was told to leave the scene to avoid being injured, as he related. I personally believe that he knows much more.

If you contact any of the above; as a courtesy, I am requesting that you leave my name out of your contact. The students will stop trusting me and I will be unable to provide you with additional information.

If you have additional questions; then, please contact me at (303) 982-4447.

Thank you

Sincerely,

Thomas E. Johnson

DESCRIPTION OF ACTIVITY:

Interview with Robert Kirgis.

SYNOPSIS:

On April 27, 1999, at approximately 6:30 pm, S/A's Gary R. Wurm and Matt Traver, ATF, interviewed Robert Kirgis at his residence which is 2901 West Centennial Drive, Apt. B206, Littleton, Colorado, 80123. Mr. Kirgis currently has no home telephone. Mr. Kirgis is a white male, DOB: 05-24-70, SSN: 523-55-7221. He currently is employed as a manager in training at Dominos Pizza, 3920 South Broadway, Littleton, Colorado, telephone number 303-781-6647.

NARRATIVE:

1. Mr. Kirgis stated that he had been the owner of Blackjack Pizza, 6657 West Ottawa Place, Littleton, Colorado, from December 1, 1995 until March 8, 1999. He stated that he sold the Blackjack Pizza for about \$15,000. to Chris Lau. He also stated that during his ownership of this Blackjack Pizza, he had employed Eric Harris, Dylan Klebold and Chris Morris. He stated that he had been introduced to Eric Harris and Dylan Klebold by Chris Morris, who had been employed at the Blackjack Pizza for a period of about 2 1/2 years. He further stated that Eric Harris had been at Blackjack Pizza for about 2 years and Dylan Klebold was employed, off and on, for a total of about 1 year. He stated that Harris, Klebold, and Morris had assisted in the making of pizzas for him. He also stated that they were basically good employees.

2. Mr. Kirgis stated that he wanted Agents Wurm and Traver to know that he had been interviewed by a male interviewer with Inside Edition on April 22, 1999 and further that

his interview had been televised on Friday, April, 23, 1999. Mr. Kirgis stated that he had given the interview at Normandy Park, since he was no longer associated with Blackjack Pizza and did not want the interview to show the Blackjack Pizza location. Mr Kirgis stated that he had previous information about Eric Harris and Dylan Klebold and this information was given during the interview with Inside Edition. Mr. Kirgis provided the following telephone number as a contact number for Inside Edition, 1-800-690-8742. He stated that he could not remember the name of the person who had done the interview with him.

3. Mr. Kirgis stated that the information that he possessed related to when Eric Harris had brought a "small pipe bomb" into the Blackjack Pizza around July 4th about two years ago. He described the pipe bomb as being shiny and probably made from pipe that is used for plumbing. Mr. Kirgis stated that Eric Harris carried the pipe bomb into Blackjack Pizza through the back door. He stated that he was not scared of Eric Harris, because Harris was not threatening. He stated that Eric Harris just seemed like any other teenage boy. Mr Kirgis stated that he instructed Eric Harris to take the pipe bomb out of the Blackjack Pizza, which Harris did. Mr. Kirgis does not know what happened to the pipe bomb. He stated that he never heard Eric Harris or Dylan Klebold talk about bombs again nor did they bring any into the pizza shop again. Mr. Kirgis stated that he did light fireworks, of various kinds, behind the pizza shop with Eric Harris and Dylan Klebold.

Mr. Kirgis stated that Eric Harris, Dylan Klebold and Chris Morris usually came into the Blackjack Pizza for their lunch breaks from school about 11:05 am 11:10 am. He stated that they would usually have pizza or a salad. He also stated that Chris Morris had recently gotten a girlfriend and so he wasn't hanging around the shop as much. He also stated that these three boys were kind of like a "click" but added that at one point, a lot of kids were involved with Eric Harris and Dylan Klebold. Mr. Kirgis stated that Charles Phillips, Nathan Dykeman, and Zack Heckler all worked at Blackjack Pizza at one time or another and they all hung out with Eric Harris and Dylan Klebold. Mr. Kirgis added, "most of my employees came from that group".

5. Mr. Kirgis stated that Chris Morris seemed like a "mean kid". He further stated that Chris Morris seemed more emotional and he would tell you exactly what was on his mind. Mr. Kirgis stated that he believed that Chris Morris' father was a doctor or surgeon and his father seemed to be hard on Chris Morris. Mr. Kirgis also stated that Chris Morris was one of the smartest kids he had met. He stated that he believed that Chris Morris was not the type of person that was a leader, but he could have been. He stated that he also believed that Chris Morris was separating himself from the group known as the Trench Coat Mafia. Mr. Kirgis stated that he never saw anyone as being the leader of this group. Mr Kirgis stated that about every time he saw this group, they were wearing their "tranches" (trench coats)

6. Mr. Kirgis stated that what he has seen on television, since the shooting at Columbine High School, is entirely different from what he saw of Eric Harris and Dylan Klebold at work. He stated that his six year old daughter was around these boys and they treated her very well and she liked them. Mr. Kirgis stated that he even saw Eric Harris wearing a sports type jacket, maybe like a Colorado University jacket.

7. Mr. Kirgis stated that at various times he and these boys messed around the roof above the Blackjack Pizza at which time they shot off bottle rockets. Mr. Kirgis stated that he mostly just drank beer on the roof. He also stated that Eric Harris and Dylan

Klebold were not drinkers but probably would have had a drink at a party.

8. Mr. Kirgis stated that Billy Dow was a former employee who now works at the Blackjack Pizza located on Simms Boulevard close to the intersection of Simms and Bowles. He stated that Billy Dow would have information of a reported dry ice bomb that was set off behind the Blackjack Pizza that Mr. Kirgis previously owned. He stated that the Jefferson County Sheriff's Department was called when this dry ice bomb was set off.

9. Mr. Kirgis stated that he did hear Eric Harris and Dylan Klebold mention about how "jocks" were picking on them. He also related that one time, behind the pizza shop, the Trench Coat Mafia was waiting for a fight with some other persons, but he was not sure with whom. Mr. Kirgis stated that he remembered that Dylan Klebold and Nathan Dykeman were there for the fight.

10. Mr. Kirgis then stated that on the day of the shooting at Columbine High School, he was taking his daughter to school at Powderhorn Elementary School when he heard about the shooting. This would have been between 12:25 pm - 12:35 pm. Mr. Kirgis stated that because of a "gut" feeling and the previous knowledge of the pipe bomb, he called 911 from the office at Powderhorn Elementary. He stated that the news reports mentioned trench coats and pipe bombs, so he wanted to alert authorities about Eric Harris, Dylan Klebold and Chris Morris. Mr. Kirgis stated that he gave the dispatcher his name as the reporting son.

11. Mr. Kirgis was also asked about his knowledge of the legality relating to pipe bombs and he stated that he was not aware of how illegal they were. He stated that he knew very little about firearms and he just did not think about how illegal the pipe bombs might be. He stated that he just did not see an aggressive side of Eric Harris. Mr. Kirgis stated that he does not like explosives, only fireworks.

DENVER POLICE DEPARTMENT
Complex Investigations Section/Major Peddler Unit

Type of Report: Investigative Interview

Date: May 3, 1999

Reported By: Sergeant Ernest Martinez, Supervisor, Major Peddler Unit

Subject: Robert Hossein KIRGIS (05-24-70); a.k.a. "Bob LNU"

Synopsis:

On the above date, Denver Police Department Detective Jeff Ruetz and this reporting supervisor interviewed Robert KIRGIS. He was asked several questions relating to his knowledge of the Columbine High School incident of 04-20-99, and his personal and working relationship with subjects of this investigation, namely Eric Harris, Dylan Klebold, [REDACTED], et al.

Details:

- 1) On the date of May 3, 1999 at 1320 hours, Denver Police Department Detective Jeff Ruetz and this reporting supervisor met and interviewed one Robert Hossein KIRGIS (05-24-70). This interview took place at Denver Police Headquarters, Vice/Drug Control Bureau interview room. This interview took place subsequent to a telephonic contact made by KIRGIS to this reporting supervisor approximately 1100 hours this date. KIRGIS reported that he had received my business card left at his residence last Friday, and that he had called me on Saturday from his new employment at Dominoes pizza on south Broadway (303.781.6647). KIRGIS then called this date, and related that he had no problem talking with investigators, and that he wanted to set one thing straight from the start; that news reports about a pipebomb being detonated at the Blackjack pizza place on West Ottawa Place was erroneous. That the detonations involved a "dry ice bomb", and not a pipe bomb. KIRGIS then stated that he would meet this reporting supervisor after he dropped off his daughter at school, approximately 1:00 PM.
- 2) KIRGIS responded to Denver Police Headquarters at 1315 hours. Detective Ruetz and this reporting supervisor verified his identity, when KIRGIS proffered his Colorado Operators License. KIRGIS stated that he was the owner/manager of the Blackjack pizza store located at 6657 West Ottawa Place, Littleton, CO. KIRGIS was the owner from 12-01-95 through 03-08-99, when he sold the store to the current owner, Chris Lao. When asked whom he had hired first [REDACTED] he stated that it was Chris Morris. KIRGIS related that Morris was hired approximately six months after another friend of the group, named Charles Phillips. KIRGIS also mentioned that "Kibbz" as Zach Heckler. This stemmed from newspaper reports he had read, mentioning the acronym "Kibbz" on one of Harris' web pages. When asked what characteristics Heckler possessed, KIRGIS related that he "drove like crap." Other employees KIRGIS had hired as he related knew each other well were Harris, Klebold, Phillips, Nathan Dykeman and Brian Sargent.

JC- 001-010490

- 3) When asked what his knowledge was related to explosives and the group, KIRGIS stated that Harris, Morris and Klebold loved fireworks. That they liked to go to Cheyenne, WYO. To purchase many fireworks that were illegal in Colorado. KIRGIS related that this past July 4th weekend, Klebold, Morris and Harris put on a great firework display at the store. KIRGIS also took his daughter Brianna KIRGIS to observe the show. KIRGIS stated that Klebold and Harris were "tied at the hip", and frequently during school lunch hour both of them came to the Blackjack pizza store to eat a free salad and smoke cigarettes by the rear door. When asked about a pipebomb being brought into the store, KIRGIS recalled that Harris came in to the Blackjack store through the rear door carrying his usual black brief type bag. Harris then went to the rear storage employee changing area and brought out what appeared to KIRGIS as a pipebomb. According to KIRGIS, Harris stated, "Check out this pipebomb." Harris then said that he wanted to blow it up after work in a watermelon, near the field. The pipebomb was described as metallic colored, metal pipe, with end caps, and about a foot in length. This incident took place when Harris, Klebold, Morris and KIRGIS were working about two years ago. KIRGIS was able to remember that it may have been in April of 1997.
- 4) When asked if it ever occurred to him that the pipebomb was dangerous and illegal, KIRGIS stated, "yea, that's why I sent him out of the store with it, I was worried that he was going to set it off in my store." KIRGIS later said that he was originally going to send Harris home, but he needed him at work that night, so Harris came back after he put the pipebomb away in his car. KIRGIS stated that Harris had told him that it was an explosive device, and he knew that it was a pipebomb, based on what he thought a pipebomb was. When asked if he had any experience with any type of pyrotechnic or explosive devices, KIRGIS stated, "only fireworks, they use to set off fireworks all the time." "They" meaning Harris, Klebold and Morris. KIRGIS also related that Harris, Klebold and Morris were, at times, going on top of the roof to light off fireworks. KIRGIS stated that he also, at times, went up there with them. According to KIRGIS, Harris, Morris and Klebold also set off many dry ice bombs atop the roof of the business. Nicki Liston, a former store manager, also told KIRGIS she knew of these occurrences with dry ice bombs. KIRGIS also recalled that the former owner of the Ottawa Place Blackjack pizza store, Randy Pearson, set off a possible dry ice bomb in the store bathroom. This subject, Pearson is the current Blackjack owner/manager of the 5500 South Simms store, where Billy Dao currently works. KIRGIS prefaced these statements with, he worked with them (Harris, Klebold and Morris), but didn't do much with them. When asked why he didn't call the police when he observed the pipebomb, KIRGIS stated that he "didn't want any trouble." He paused and then stated that he "really wasn't sure why, but hindsight being 20/20, I would now."
- 5) KIRGIS knows that Morris had a girlfriend that lives in the 7000 Block of South Pierce Court, and that closer to the time of the Columbine High School incident, Morris seemed to distance himself away from Harris and Klebold. Also, that Harris and Klebold were "very tight." KIRGIS also related that Klebold wore a trenchcoat almost non-stop, and the others only at times. KIRGIS also stated that he hasn't seen Zach

Heckler in about one and one-half years, but that he believed he still "hung out with them."

- 6) KIRGIS recalled a Christmas party in December of 1997 at the residence of Brady Mann(sp), and Jeff Mann(sp), located at 7169 South Webster Street, number. A Ken Williams, who owns "4 U to See" printing, 303.979.5522, shot darts with Harris. The reason this statement was proffered, was because KIRGIS was asked if he ever socialized with any of the subjects. KIRGIS heard Harris, Morris and Klebold talk about the game "Doom", but never guns. KIRGIS also related that Morris seemed a little mean to him, but if he had a problem with you, it was over sooner. Unlike Harris, who seemed to hold a grudge for you. Harris, Morris and Klebold also had told KIRGIS that they got harassed at school because they were nerds.
- 7) KIRGIS admitted to this reporting supervisor that he is an alcoholic, and at times he drank at work, and left Harris in charge while he left the store for any reason. KIRGIS mentioned that he knew Nate Dykeman, but not that well, and also identified Morris and Dykeman from an array of photos shown to him.
- 8) A female subject by the name of Kimberly Carlin, a.k.a. "Kimmy", who lives on Hinsdale Court was actively dating another male party, when she was supposedly dating Harris a short time. KIRGIS denied that Carlin dated Harris, another interview put them together (see DAO interview, 04-29-99). KIRGIS related that Carlin was in the same early morning bowling class with the subjects of this investigation. Carlin quit Blackjack pizza because she didn't get along with fellow employee Michelle Hartzell(sp).
- 9) KIRGIS recalled that approximately one year ago, Harris, Morris and Klebold were set to fight a group of people near the intersection of West Coalmine and South Pierce Streets, behind the shops. As Harris, Klebold and Morris walked there from the Blackjack pizza store donning their trenchcoats, the other group fled.
- 10) Other related items: Billy Dao had related to KIRGIS that Phil Duran "got the machine gun" for Harris and Klebold. When asked about other parties, KIRGIS knew a James Thonsbe as a "stoner", and just had a working relationship with him. Zach Heckler quit the Blackjack pizza store after approximately two months. KIRGIS overheard the subjects talk about the Internet, but didn't recall anything specific. Harris was also known to KIRGIS as "Reb". KIRGIS re-iterated that he "felt very comfortable leaving Harris and Morris in charge of the store", while he was away. Morris seemed "really responsible" while in charge of the store. The last time KIRGIS saw all three subjects, Harris, Morris and Klebold was at "The Zone" bar parking lot, about a few weeks ago. KIRGIS also stated that "Kibbz" is Zach Heckler.

This ended the interview, time was 1435 hours.

Type of Report: Investigative Interview

Date: May 4, 1999

Reported By: Sergeant Ernest Martinez, Supervisor, Major Peddler Unit

Subject: Robert Hossein KIRGIS (05-24-70); a.k.a. "Bob LNU"

Synopsis:

On the above date, Denver Police Department Detective Jeff Ruetz and this reporting supervisor re-interviewed Robert KIRGIS. He was asked several more questions about the subjects of the Columbine High School investigation.

Details:

- 1) On the date of May 4, 1999 at 1320 hours, Denver Police Department Detective Jeff Ruetz and this reporting supervisor re-interviewed Robert KIRGIS. This interview took place at the Luther's Bar-B-Q restaurant, located at 11353 West Colfax Avenue. This re-interview was subsequent to a telephonic contact made to KIRGIS by this reporting supervisor in the AM. KIRGIS again, stated that he had "no problem" speaking with investigators about the investigation.

- 2) KIRGIS was asked about the subject Phil Duran, and related that according to Billy Dao, who told KIRGIS, law enforcement searched the residence of Duran and took a few items, but left marijuana there, or didn't find it. Duran's girlfriend Christina LNU, told Dao this information and that "the cops were watching the house", and she was "scared." On the day of the Columbine High School shootings, KIRGIS "ran into" Billy Dao at the 7-11 store (Wadsworth & Coalmine), about 1:20 or 1:30 PM. They had a short conversation about what was occurring at the high school. They both agreed to go to KIRGIS' apartment. While there, they smoked a joint of marijuana, and watched the news reports about the incident. But, prior to going to the apartment, KIRGIS remembered he stopped by "4 Your Agency" printing and spoke with "Carol" about something that he didn't recall. KIRGIS stated that he really believed that Eric Harris and Dylan Klebold were the gunmen, because as he states, "I put all the circumstances together, and it made sense that it happened." KIRGIS and Billy Dao kept watching television until he had to leave to pick up his daughter at Powderhorn Elementary School at about 2:45 PM. This school is located at West Coalmine & South Simms Street. Billy Dao left when KIRGIS left. According to KIRGIS, Phil Duran paged Billy Dao when Dao was present at his apartment this day, and Dao then returned the call to Duran. Duran was on his cellular telephone at the time, and it was about a two-minute conversation. KIRGIS recalled that the time of the call was approximately between 1:15 and 1:30 PM. Dao related to KIRGIS that Duran told him if he had heard what was going on at Columbine. Also, Duran asked Dao if he knew where his (Duran's) brother was, he was worried about him. KIRGIS could not recall Duran's

brother's name but did recall that he had worked for him at Blackjack pizza for just a few days "a long time ago."

3) When KIRGIS was asked about recently seeing or hearing about or from [REDACTED], he stated that it "wouldn't surprise him if [REDACTED] was found to be more involved with explosives or the Columbine thing." "I consider [REDACTED] a friend, the other two (Harris & Klebold), just acquaintances." KIRGIS could not recall ever hearing any other names of associates with the subjects of this investigation.

This ended the interview, time was 1420 hours.

Interviewee: Robert Hossein KIRGIS (05-24-70), previously documented.

**Statement of Christopher Lau, Owner,
on behalf of Blackjack Pizza**

The following statement is an attempt to answer the questions most commonly asked of us by the news media in relation to the Columbine High School tragedy.

Blackjack Pizza is a franchise pizza delivery and carryout operation with no facilities for sit-down dining.

I can confirm that both Eric Harris and Dylan Klebold were employees of the Blackjack Pizza located at 6657 West Ottawa Place, Littleton, CO. I took ownership of this unit March 8, 1999, approximately six weeks before the terrible and tragic events at Columbine High School took place. Harris and Klebold were retained as employees when the change in ownership took place. They were employed as cooks. Among their duties were pizza-making, order-taking and customer service. They did not deliver pizzas at anytime. They worked three to five nights a week, from approximately 4 or 5 PM until approximately 8 or 9 PM. They did not always work the same shifts. The last night they worked was Friday, April 16, 1999. Harris and Klebold performed well in all the duties required by their positions. They were never subject to any disciplinary action. Neither Klebold nor Harris gave any indication that they were capable of the horrific acts committed at Columbine High School.

At this time, other than the comments included in this statement, our policy is not to discuss any present or former employees.

We are cooperating with investigators in every way possible and will continue to do so. I have no comment on the questions being asked by the investigators.

Our hearts and prayers are with the victims of this terrible event, their family members, and their friends, as well as with the students, faculty and staff of Columbine High School. Our prayers also go out to the community. This community has endured an unspeakably tragic event, and it is very reassuring to see such an outpouring of kindness and support as the community tries to heal itself. In the midst of such disconcerting and terrifying events, it is wonderful that we can have our faith in the general goodness of people reaffirmed. Our thanks go out to all the volunteers who have made these difficult times just a little bit easier.

We would also like to thank the police officers and investigators who are working diligently on this case. There is no adequate way to express our gratitude to law enforcement for risking their lives to secure the safety of the Columbine High School students, faculty and staff, as well as that of the community.

REPORT DATE May 7, 1999	OFFICE OF THE ATTORNEY GENERAL STATE OF COLORADO	CASE NO. 99-7625
TYPE OF REPORT Progress	REPORT BY Inv. Gary Clyman	AREA Jefferson County
NATURE OF CASE COLUMBINE HIGH SCHOOL / HOMICIDE INTERVIEW OF CHRIS LAU (BLACKJACK PIZZA OWNER)		

1. On April 26, 1999 I interviewed Chris Lau (DOB: 9/11/65), 2580 S. York St., Apt. #206, Denver, CO 80210, (303) 777-9338. On March 8, 1999 he began as owner /operator of the Blackjack Pizza, 6657 W. Ottawa Pl., Littleton, CO (303) 978-0600.
2. Mr. Lau said that he bought the franchise from Former owner, Bob Kirgis. Lau initially retained some of the same employees except a few who had poor driving records, whom he did not want working as delivery drivers. Among those retained were Eric Harris and Dylan Klebold, who were employed as "insiders", making pizzas rather than delivery. Harris was paid \$7.65 / hour, and Klebold \$ 6.50 / hour.
3. Lau described Harris as his best employee, no trouble, and said that he had offered Harris a promotion on Friday April 16 to shift manager. Harris seemed pleased and accepted. Lau described Klebold as "hyper", loud, energetic, a good worker, punctual, no problems.
4. Lau said that on Friday April 16, both Harris and Klebold requested cash advances against their earned hours. Harris received a cash advance of \$200, and Klebold received \$120. (On May 28, 1999 I received from Lau the original cash receipts which were signed by Harris and Klebold, and copies of their three payroll checks from March 8 - April 18, 1999. These items were booked into JCSCO as evidence through Det. Eaton April 29, 1999, Item nos. 10074, 10075).
5. The only problem which Lau could recall regarding Harris and Klebold was when he had found them behind the store together, lighting a newspaper on fire.
6. Lau said that he had seen both Harris and Klebold wear black "duster" trenchcoats, recalling that they may have had some type of patches on them, but he cannot recall more specifically. He also recalled that they were once visited at work by a teenage girl he recognized on news broadcasts regarding CHS, described as WF, 5'4", long, straight blonde hair (Robyn Anderson?), who was accompanied by another female (no description).
7. Two other friends of Harris and Klebold, who had also worked at the store, were Chris Morris and Nate Dykeman. He described Morris as "moody", looked angry, wore a similar black duster, black pants, black T-shirts, and black boots. Lau terminated Morris from his job due to his affiliation with Harris and Klebold.
8. Former owner, Bob Kirgis, had told Lau on April 21, 1999, that he (Kirgis) had previously seen Harris in the store with a pipe bomb.

INTERVIEW WITH SUSAN AND TOM KLEBOLD

On 04-30-99, at about 1635 hours I responded to Gary Lozow's office in order to interview Susan and Tom Klebold, the parents of Dylan Klebold. Also present for this interview was Sgt. Randy West, Investigator Cheryl Zimmerman and District Attorney Charles Tingle. Stephanie O'Malley and Gary Lozow were present assisting with the representation of the Klebold parents. Sgt. West explained the purpose of our visit was to obtain background information on Dylan Klebold and he asked that the Klebold's provide that information to us.

The Klebold's advised that Dylan Klebold was born 09-11-81, and was a healthy, happy child, who grew to be very bright. on 092097 at about 1840 hours, per dispatch I responded to [redacted] to assist Lakewood Police. I arrived at about 1732 hours and contacted (w) Inskeep, (w) Bruton, (w) Siskar, (w) Perry in front of the house. Sitting on the front porch were (SB) Klebold, T., (SB) Klebold, S., (SB) Klebold, B., (SB) Juermann and (SB) Brown. (w) Inskeep told me this was the residence of a possible suspect in the Columbine High School shooting. He told me those sitting on the porch were the occupants of the house he contacted at about 1500 hours. He told me they were removed from the house pending the completion of search warrant initiated by the Sheriff's Office.

I contacted (w) Junkala by phone and advised him of the situation. He told me that this search warrant had been completed and signed by a Jefferson County Judge. He told me to advise the residents of the home that they could enter to retrieve personal items only but they would then be required to vacate and leave the home - not to return until the Sheriff's Office allowed it.

I advised (SB) Klebold, T., (SB) Klebold, S., (SB) Klebold, B., (SB) Juermann and (SB) Brown of this. (w) Inskeep and I escorted (SB) Klebold, T. and (SB) Klebold, S. into the residence. They retrieved only personal items and pets and supplies and left without incident.

(S) Juermann was escorted into her residence - a guest house on the property - by Sheridan PD officers.

LAKESWOOD POLICE DEPARTMENT SUPPLEMENTAL REPORT
REPORTING AGENT: ROLLIE INSKEEP
OFFENSE: AOA/HOMICIDE

CASE NUMBER: 99-38856
DATE OF REPORT: 04-21-99

OBSERVATION/INVESTIGATION:

On 04-20-99, at approximately 1220 my office contacted me to respond to Columbine High School located in Littleton in reference to a shooting situation. Upon arrival at that location, I was directed to respond to [REDACTED], which was the address of a possible suspect involved in the shooting inside the school. Three SWAT team members from Sheridan PD, who were identified as Sgt. Tom Bruton, Officer Joe Siskar, and Officer Dan Perry, and I arrived at [REDACTED] at approximately 1315 hours. Upon arrival we contacted several people who were identified as Thomas E. Klebold (DOB: 04-15-47) the father of the alleged suspect Dylan Klebold. Also present was Dylan's mother, Susan Y. Klebold, (DOB: 03-25-49), Byron Klebold (DOB: 10-23-78) and Stephanie A. Juenemann (DOB: 10-04-71). Arriving at their residence shortly after my arrival, was Judy E. Brown (DOB: 05-26-49). After contacting the residence we had them exit the residence and we then proceeded to clear the residence for any other possible people hiding within the structure itself. After the residence was cleared, I spoke with Dylan Klebold's father, Thomas Klebold.

Thomas indicated that he does reside at this residence and his phone number is [REDACTED] and he has a pager number of [REDACTED]. Thomas was aware of the situation at Columbine High School and he, with the knowledge of his attorney, Gary Lozow, (303-292-5656) agreed to speak with me about this incident. Thomas gave Dylan's birth date as 09-11-81 and indicated that Dylan did reside at their residence and that he is a senior at Columbine High School. Thomas indicated that he had been home at their residence for the entire day. He indicated that Dylan drove a black BMW with license plate GBZ2636. Thomas indicated his son had left early that morning because of a scheduled early morning bowling class. Thomas did not see Dylan leave the residence so he was not familiar what the clothing Dylan was wearing. When asked about possible clothing he wore, Thomas indicated his son Dylan did wear a black trench coat along with five or six other kids at the school. When asked whom Dylan hung around with, Thomas indicated first Eric Harris, who also wore a trench coat. He also indicated Zac Heckler, Nate Dykeman, Chris Morris who also wore a trench coat and a female identified only with the first name of Robin. Thomas indicated his son had gone to the prom with Robin on this previous Saturday evening. When asked about Dylan's behavior and attitude these last few days, Thomas indicated that Dylan's attitude was good. He was very communicative and Thomas did not notice anything unusual about his behavior. He indicated that his brother's name is Byron and that Thomas' wife name is Susan and that she is the biological mother. Again he reiterated that there was nothing unusual about Dylan's behavior nor any issues that Dylan seemed to be

bothered by. He indicated that if there had been a problem, Dylan would have spoken with him about it. When questioned about guns, Thomas indicated that aside from a BB gun he never owned a gun and that he is against guns. He indicated that Dylan agreed with him on his stance on weapons. He stated that the BB gun was still in the house. However, it was a gift to Dylan originally.

Throughout our conversation, and throughout the remainder of the time I was with Thomas Klebold, he continued to state that his son would never be involved with anything like this and that we would not locate any bombs in his residence.

At this time I spoke with Susan Klebold (DOB: 03-25-49). She indicated that she resides in the residence along with her husband and son Dylan. She indicated that Dylan left at approximately 0515 this morning and that was normal on Monday, Wednesdays and Fridays. (She apparently did not realize that this is Tuesday). She indicated that she has an early bowling class but she did not see him leave, however she did speak with him. When asked what he was wearing, she indicated that she suspected that he would be wearing his trench coat. When asked why she believed that, she stated that after the information came out in reference to suspects involved in the shooting at the high school and prior to our arrival, her husband Tom had checked the residence and did not locate the trench coat. She also indicated that her son Dylan would be driving a black BMW.

When questioned about Dylan's behavior and attitude, Susan indicated that he has had a good attitude and his behavior was good and he was extremely happy because he had just recently been accepted at the college of his first choice, which was the University of Arizona in Tucson, AZ. Susan indicated that Dylan had gone to the prom with a female known as Robyn however she did not remember the girl's last name. She indicated that Dylan had not planned on going. However, he was talked into it by friends and he ended up renting a limo. She believed that he was with Nate as a double date type situation. She stated to her knowledge Dylan's friend Eric Harris did not go to the prom. She also indicated that there was no unusual behavior observed from Dylan. She stated that the boys had just a couple of days ago gone to the Outback Restaurant (Dylan and Eric). She believed Eric had coupons that they could use at the restaurant. She went on to state that Dylan spent a lot of time at his computer that he had built himself.

When questioned about prior problems, Susan stated that Dylan had been on a Diversion Program for stealing electronic equipment from a van. She stated that this incident occurred in Jefferson County. She went on to state that those involved in the Diversion Program, as well as herself, had agreed that Dylan was doing very

well.

When asked about guns or explosives, she stated that Dylan has always been fascinated by explosives and guns. She stated that Dylan wore combat- looking boots and that he liked the look that he had established. She then recanted her previous statement and stated that Dylan did not really talk about explosives and guns but he just likes to have the look of the trench coat and boots. She indicated that Dylan had received some type of military-type catalog in the mail and it was from that catalog that Dylan had ordered his combat-type boots.

She indicated that Dylan was "not a mainstream type kid". She stated that he felt that he believed he was not in the main loop but it did not show and that he gave no indication he was upset about not being accepted. She went on to state that Dylan played lots of computer games that bothered her.

When asked about the family dynamics, she indicated that Dylan and his brother, Byron were beginning to develop a good relationship. She went on to state that on her husband's birthday, the entire family went out to dinner and they all seemed to have a good time. She also stated that she was surprised that Dylan was involved with this theft situation involving Dylan and Eric. She also stated that she could not believe that Dylan would be involved in any type of situation like Columbine. This concluded my interview with Susan Klebold.

At this time I spoke briefly with the family's attorney, Gary Lozow. Gary indicated that the family would be willing to remain cooperative with us and assist us in any way that we seemed necessary. It was also discussed that Tom had expressed that he would be willing to respond to the high school in an attempt to talk Dylan out of the school if in fact he was involved.

At this time I completed an interview with Dylan's brother, Byron Klebold (DOB 10-23-78). Byron indicated he is no longer living at the residence but returned to the residence when he heard about the incident at Columbine. He indicated that he is working as a lot technician at the Ralph Schomp dealership and that his work number is [REDACTED]. When asked about his relationship with Dylan, Byron indicated that he was not very close to Dylan since he moved out in July of 1997. Byron indicated the last time he saw Dylan was on their father's birthday. When asked about Dylan's behavior, Byron indicated that Dylan appeared to be somewhat detached and he went on to explain that as a "pissed off teenager". Byron went on to state that Dylan gave no indication to believe that something like this was going to occur. He indicated that Dylan had knives but to his knowledge had no other weapons.

Byron went on to state that Dylan enjoyed playing games on the Internet. He stated that Dylan did wear a

black trench coat and that he "acted like he was tough". When asked about friends, Byron was only familiar with three, Zak, Eric and Nate. Again, Byron indicated that Dylan's behavior was normal and that again he wore a black trench coat to "act like a bad ass". Again, Byron indicated that he was not familiar with anything his brother was doing but returned to the house when he had heard about the news about Columbine High School.

At this time I spoke with Stephanie A. Juenemann (DOB: 10-04-71). Stephanie indicated that she is a friend of the family and stays in the guest house located on the south side of the residence. Stephanie indicated she has been staying at that residence since May 1998. When questioned about Dylan, Stephanie indicated that she does not know Dylan all that well, and that she is closer to Dylan's parents than to him. She indicated that Dylan was always very polite to her and seemed like a "nice guy". She did indicate that Dylan wore a long black coat. However, she did not have any knowledge of Dylan's tastes in guns or explosives. She did state that Dylan liked the band called "9 Inch Nails".

Stephanie indicated the last time she saw Dylan was this past Saturday night when she assisted in taking pictures of Dylan before the prom. She indicated that she had spoken with him on the phone after that however it was just to say hello and then speak with Dylan's mother. Stephanie stated that she is currently not employed but she will begin a new job in May. Stephanie again stated that she did not see any unusual behavior from Dylan in the recent days.

At this time I completed an interview with family friend, Judy E. Brown (DOB: 05-26-49). Judy indicated she resides at 8003 South Vance Street and has a phone number of 303-372-0602. Judy indicated that she and her son, Brooks Brown, (DOB: 07-14-80) have known the Klebolds since the boys were in Kindergarten. Judy stated that her son, Brooks, was in the parking lot on this date at Columbine High School at approximately 1100-1130 hours when he met Eric Harris. Eric came to Brooks and stated "I like you, you better leave, you won't get hurt". Judy stated her son then walked to Pierce Street where he began hearing what sounded like shots. Brooks then ran to a house and called the police. She indicated that Brooks then called his father, Randy Brown, at the father's work. Judy indicated that another son, Erin Brown, was also in the school when the shooting took place however he was not injured.

At this time, Judy became extremely emotional and indicated that she had gone to the Jefferson County Sheriff's Department approximately a year ago and told them that this was going to happen. She stated that she spoke with someone involved in Economic Crime and a bomb person from the Jefferson County Sheriff's Office.

Judy went on to state that this incident had been planned and was put on the Internet.

Judy stated that Eric was emailing Brooks talking about building pipe bombs and blowing people up. Judy stated that she took copies of the emails to the Jefferson County Sheriff's people and again spoke with the two people mentioned above. She stated that Eric was threatening the lives of her son and herself.

Judy went on to state that approximately two weeks ago Brooks came home and said that Eric explained to him that he is doing fine now and that he (Eric) was just being crazy the past couple of years. Judy indicated that the two had been unfriendly toward each other until this conversation. Judy indicated she may have the case report number issued by Jefferson County in reference to her report she made to them. She stated that the reports were the worst, filthiest, vilest language she had seen, which threatened to kill her and her son. She indicated that there was an entire hate page of what Eric was going to do to them. She indicated that Eric had his own web page and on which he listed Brooks' name and address to see if anyone wished to harm Brooks. She went on to state that Erin, her other son, was not involved with Eric but was aware of the threats made by Eric. Judy stated that Dylan was not threatening to her or her family. She indicated that Dylan worked on a school lay with Brooks and there were no problems between the two of them. She stated that when Dylan and Brooks would not be hanging together there were no issues or confrontations. She indicated that she still has copies of the papers that she turned into the Jefferson County Sheriff's Department at her residence. Judy did not have any knowledge that this incident was going to happen on this particular date. She just voiced her opinion over and over that she knew it was going to happen and was not sure why nothing was done prior to this.

During the course of the afternoon, we kept hearing television reports about the incident at Columbine High School. The parents continued to state over and over that this was not possible and that Dylan would not be involved in anything like this and again that we would not find any evidence of bombs or any bombs in their residence.

At approximately 2010 hours on this same date, Jeffco Sheriff's Deputy T. S. Faubion responded to our location. He was instructed to inform us that the parents were allowed to enter the house to get clothes and then we were to secure the residence and have them leave. At this time, Tom, accompanied by myself and Deputy Faubion, entered the residence and obtained some clothing and personal articles for Tom for the next couple of days. After he was finished, Susan came into the residence and did likewise, along with preparing two birds and two cats to evacuate the home. With clothing in hand, along with their pets, the Kiebolds left the residence at

approximately 2100 hours. At this time the residence was secured and turned over to Deputy Faubion

I then spoke with the command center who indicated that there was nothing further for me to do at this time.

On 04-21-99, I again responded to Columbine High School to assist with whatever needed to be completed. Myself, Detectives Slater and Wilson, and Sgt McCasky responded to Swedish Hospital, Lutheran Hospital and St. Anthony's Central Hospital to speak with victims of the shooting. The Trojans have lived on Cougar Road for about 10 years. They knew the Klebolds and said that Tom Klebold was "against guns." The Trojans would host the annual neighborhood party at their house. The Klebolds among others would attend. Mr. Trojan said he hadn't heard explosions or gunfire from the area of the Klebold residence. Mr. Trojan said he shoots occasionally behind his house.

He said he hadn't noticed vehicles on the road except for a Volkswagen or small white sedan driven by a female that he assumed was the person living at the Klebold rental house.

Mr. Trojan described Dylan Klebold as quiet and reclusive. He said Dylan drove a black BMW and thought he drove too fast. Mr. Trojan's daughter Kimberly had been friends with Dylan since they moved there.

Kimberly Trojan was interviewed by telephone on May 14, 1999. Kimberly said she met Dylan in the CHIPS program that was a program for gifted and talented children. Kimberly is 18 years old and is in her second year at the University of Colorado. She said she hadn't seen Dylan while she was at school and saw him walking up [REDACTED] one day. She said she didn't recognize him at first and he was wearing a black trenchcoat. After that, she said she would see him in his car a lot and occasionally there would be someone in the car with him.

Kimberly said Dylan's best friend was "Luke" but would not give me Luke's last name. Luke and Dylan had been friends together in an extracurricular performing group. (Possibly Luke Kwerneland) Kimberly said Dylan was very quiet and "didn't talk."

Kimberly said she would see the Klebold's getting their newspaper occasionally. She said the Klebold gate was always closed. Her father overhearing this corrected her and said the gate was always open. Mr. Trojan told Kimberly that the gate was electric and had been broken until recently. Mr. Trojan said, "Tom said it had been broken for 5 years."

Mr. Anthony said Tom Klebold bought the property about 12 years ago and owns an additional parcel to the southeast of [REDACTED]. Mr. Anthony said he met the kids and parents at neighborhood parties. Mr. Anthony said he knew the Klebold family but only saw the Klebold children when they were small. The kids would ride motorcycles on the property. He thought the older Klebold son was a mechanic at Raiph Schomp

Mr. Anthony said the traffic on [REDACTED] had increased with a new subdivision going in at the end of the road. He hadn't taken notice of vehicles on the road or coming and going from the Klebold residence. He said he couldn't see the parking area at the residence from his property.

He said he hasn't heard explosions, gunfire or fireworks from the Klebold residence. Mr. Anthony is an IPSC shooter and shoots often in his back yard. Comparison of the locker number list with the official list held by Chris ANDRIST (JCSD), reveals that there are some discrepancies between the two lists. This could have occurred as a result of kids swapping lockers, or it is possible this is a list from a prior school year, and that some of the kids kept the same locker from year to year. A copy of this report and KLEBOLD's list has been forwarded to ANDRIST.

He was told his name came to attention as someone Dylan did not like. He told me he could not give me a reason for this as he never spoke to Dylan. He never had a class with him. I asked if he played sports and was told he played until his sophomore year then dropped out. He was also asked if he could identify any of the other individuals who we only knew by a nick name of people Dylan or Eric did not like. FATHER: [REDACTED]

OBSERVATION/INVESTIGATION:

On 043099 I contacted [REDACTED] and his father by phone at their home. At that time I asked [REDACTED] if he had had any contact with Eric or Dylan in a class at school. [REDACTED] stated that he had been in two classes with Eric during the first semester, one was government and the other was an economics class. [REDACTED] stated that Eric had shown one of his "bizarre" videos in the government class and he thought it was titled "Intimidation" which depicted lots of profanity and shooting with a rocket launcher and guns. I asked [REDACTED] if anyone had gotten upset with Eric about the video, and [REDACTED] replied that everyone thought it was alarming and the teacher got really pissed off.

[REDACTED] then stated that he had been in a Calculus class with Dylan this current semester, but he hadn't had any problems with him. He was very sedate, though Dylan was in trouble a lot for either being tardy or not showing up at all, then when he was there he would sleep in the class and the teacher would yell at him and embarrass him in class. I asked [REDACTED] if he knew any of Eric or Dylan's other friends and [REDACTED] stated that he knew Robyn Anderson, but only in passing and nothing else.

I asked [REDACTED] if he played on one of the school's teams and he stated that he was on the cross-country team.

[REDACTED] was unable to provide any further information.

[REDACTED] stated that that would be ok and I asked him if he had been in classes with Dylan. [REDACTED] stated that he had been in an English class last semester, and he had known he and Eric in his freshman and sophomore years, but they hadn't really stayed in contact. I asked [REDACTED] if he had had any run ins or arguments with Dylan in the past, and [REDACTED] replied that he and Dylan had an argument in class about spoiled kids who always got everything they wanted ([REDACTED] identified himself as a spoiled kid) and that Dylan got mad about it. [REDACTED] also believed that since he knew Robyn Anderson, Dylan might not have been happy with him. At that point [REDACTED] asked if he was on a list or something and I denied that I knew anything about that.

I asked [REDACTED] if he knew anyone at school who used the nick name "Waldo" and [REDACTED] replied well there is a Jock named Ryan Waldo who sometimes uses the name Waldo but that's all I know

Met with [REDACTED]'s mother, [REDACTED], at her residence. [REDACTED] was not at home, and was not available to be interviewed. [REDACTED] was upset and confused that [REDACTED]'s name was on the (S)HIT LIST, because [REDACTED] has not attended Columbine High School since last year. He is still enrolled, but is attending alternative high school in Littleton.

[REDACTED] said when [REDACTED] saw Dylan KLEBOLD on television, following the shooting, [REDACTED] became agitated and said KLEBOLD was weird.

[REDACTED] spoke with [REDACTED] and subsequently told investigators that [REDACTED] had Brian SARGENT in a class last (school) year, or the year before. He told her that he and SARGENT got into an argument that escalated into a fist fight, but that [REDACTED] had not had any contact with either HARRIS or KLEBOLD. He just regarded them as "weird computer geeks".

The fact that [REDACTED] has not attended Columbine High School during the 1998/1999 school brings into question the age of the (S)HIT LIST.

[REDACTED] said that her other son, [REDACTED], who still attends Columbine, told her that one of his friends told him that another student, [REDACTED] was on some kind of a "list". I asked her to call me if she got any additional information.

INVESTIGATION

While reviewing the Columbine Investigative files I became aware that one of the names on Dylan Klebold's "shit list" was [REDACTED]. Investigators had attempted to identify this person but only found one student, [REDACTED], whose name was similar.

I then checked archived R-1 School records and found that [REDACTED] DOB 10-30-80, is a previous student of Columbine High School. He became an inactive student on 08-17-98. Based on this information it appears that [REDACTED] was not at Columbine High School on 04-20-99 and no further attempts will be made to contact him.

On 5-5-99 at 2045 I spoke with [REDACTED] by telephone reference his name being among others Eric Harris and or Dylan Klebold did not like. [REDACTED] told me he did not understand how they could say this as he had graduated for Columbine in 1998 and had not seen them since he was in High School. He went on to say he hardly ever even spoke to either of these individuals. When he was in High School he did not have any classes with Dylan but did have a French Class with Eric two years ago the this was the last contact he had with Eric. He went on to say they played soccer togther in 1996. [REDACTED] said when he was in High School he did play baseball and was academically inclined but did not consider his reputation as one who was popular. [REDACTED] told me this incident made him remember something he saw in the summer of last year. He was jogging around Cement Park around dusk and as he got to the top of the hill overlooking the football field he saw a group of guys wearing trench coats who were acting out a sword fight. He could not identify anyone in the group as it was along distance to them and it was getting dark. He said he did not think to much of it at the time and wanted to pass the information on to us.

[REDACTED] is a student at CU Boulder and will be returning home when the semester ends. He will live at home during the summer.

Contact was made with [REDACTED] mother of [REDACTED]. She was interviewed by telephone in the interest of time.

According to [REDACTED], [REDACTED] and Dylan KLEBOLD were part of the fantasy baseball league that Chad LAUGHLIN ran. She said her son told her that KLEBOLD had recently been at LAUGHLIN's "baseball draft", and that although he wore black that day, his conversation and everything were all strictly baseball.

[REDACTED] had known KLEBOLD since they were in the second grade, attending a special accelerated elementary school at Governor's Ranch which had encompassed second through sixth grades.

Mrs. [REDACTED] stated that several of the students from that program had stayed in touch since leaving elementary. [REDACTED] now attends Bear Creek High School.

[REDACTED] told me that one of the teachers from that program, Carol LUTTROW (phonetic) had been planning a reunion of her students. LUTTROW had taught [REDACTED] and KLEBOLD in fourth and fifth grade. Prior to the Columbine shootings, there were plans made for the reunion, which is scheduled for the weekend of May 15. [REDACTED] told me that KLEBOLD had volunteered to bring pizza for the reunion.

There appears to be no further involvement between [REDACTED] and KLEBOLD.

Control Number 2775, Assigned 05-03-99, Kreutzer/Watson.

On 05-03-99 lead #2775 was assigned to contact "[REDACTED]" at pager number [REDACTED]. This information was obtained from the phone list in Klebold's wallet.

After 3 days of calling the pager and leaving numbers for the person with the pager to return a call none have been returned. Due to the number of students on the roster for Columbine High School i have been unable to determine who "[REDACTED]" is.

It is possible the pager for "[REDACTED]" could be in a back pack still within the school. None of the packs heave been returned to students to date.

I spoke with [REDACTED]'s mother, [REDACTED], who told me that her son is on vacation in Mexico and is scheduled to return to Colorado on May 20, 1999. [REDACTED] will have him contact me when he returns.

I explained to [REDACTED] that I was calling because the license number was scribbled on the back of a piece of paper from KLEBOLD's wallet. I told her which car it listed to, and she said that the car in question was her car, but that her son occasionally drove it, but that he did not drive it to school. She related that the car was totaled in an accident which occurred right after Thanksgiving of 1998 and said they have not owned the car since that time.

[REDACTED] said her son was an independent study student in the Technology Class at Columbine, and said he knew KLEBOLD, who was in that class, but she knew of no other contact.

Nothing further at this time. If any further information develops following the conversation with [REDACTED] on or about May 20, 1999, a supplemental report will be submitted.

SYNOPSIS:

Case filing on juvenile defendants DYLAN BENNET KLEBOLD and ERIC DAVID HARRIS regarding a First Degree Criminal Trespass To A Vehicle, Felony Theft with a total aggregate value of \$1719.00 and a Criminal Mischief with an aggregate value of \$100 damaged.

On January 30, 1998, at approximately 9:20 p.m., Jefferson County Sheriff's Deputy Timothy Walsh was conducting patrol duties in Deer Creek Canyon Park, 13896 Grizzly Drive, Littleton, Colorado, County of Jefferson, State of Colorado. Deputy Walsh observed a gray 1986 Honda Prelude, Colorado license GBP-2613, parked near the north/west corner of the parking lot. Deputy Walsh reported that two juvenile white males were observed inside the vehicle. Upon approaching the vehicle Deputy Walsh reported he observed the passenger, later identified as Dylan Bennet Klebold and the driver, Eric David Harris, viewing a variety of items from the back seat of the vehicle, including a yellow meter (JCSD Item #1), a black flashlight (JCSD Item #9), and a video control pad (JCSD Item #7). Deputy Walsh reported he could see a "stack of property" located behind the passenger seat. Deputy Walsh reported that Harris then said, "Hey, we better put this stuff in the trunk" and unlatched the trunk from the interior of the car. As Harris exited the vehicle he was subsequently contacted by Deputy Walsh. Deputy Walsh reported that when he asked Harris about the property he and Klebold were inspecting, Harris stated, he and Klebold were "messing around" near Deer Creek Canyon Road and Wadsworth Blvd. Harris continued stating they were walking near the parking area when they found the property neatly stacked in the grass.

Initially during the interview, both Harris and Klebold said that they "found" the property near Deer Creek Canyon Road and Wadsworth. Klebold then told Deputy Walsh there was a white van parked at Deer Creek Canyon Road and Wadsworth Blvd. and they broke out the passenger window and stole all the property that was discovered in their possession. After this admission by Klebold, Deputy Walsh asked no additional questions, and Harris and Klebold were taken into custody. Both Harris and Klebold were then transported to the Jefferson County South Sub Station for parental notification.

At approximately 9:37 p.m., Deputy Miller discovered a 1997 GMC van, Colorado license SBA-3094 located facing north on the north side of Deer Creek Canyon Road about 100 yards west of Hwy 121. Deputy Miller stated that he observed the passenger side window had been broken out and a large rock was observed between the two front seats of the vehicle. Deputy Miller did note that the interior of the vehicle "appeared to be scattered around in disarray. J.C.S.D. Dispatch contacted Westover Mechanical Services, the business name printed on the vehicle. Ricky Becker then responded to Deputy Miller's location.

At approximately 9:45 p.m., Becker advised Deputy Miller that he had parked the vehicle at the location he had discovered the van and went to dinner with a friend. Becker stated he left the vehicle at approximately 8:00 p.m. and was "positive" the vehicle was locked. Becker advised Deputy Miller that the items inside the van appeared to have been disturbed around one through. Becker advised Deputy Miller that due to the condition of the van he would need to conduct an inventory at a later time in order to determine if any property items were missing from within.

JC-001-010563

Eric Harris's parents, Wayne Harris and Katherine Harris met with Deputy Walsh at the Jefferson County South-Sub Station. Eric Harris was advised his Miranda rights via a written J.C.S.D. Advisement/Waiver form. Both Eric Harris and his parents stated they understood his rights and would agree for Eric Harris to make a statement. Harris stated to Deputy Walsh that Klebold and he had gone to the parking area on Deer Creek Canyon Road. Harris stated while "messing around" Klebold looked inside a white van, that had been parked next to Harris's vehicle, and saw some property in it. Harris said that Klebold asked him, "Should we break into it and steal it?" Harris stated he initially told Klebold, "Hell no." Harris told Deputy Walsh another car drove into the parking and they got back in Harris's car. Harris stated they remained inside the vehicle for approximately five minutes and discussed if they were going to break into the vehicle or not. Harris stated that they agreed that they would (break into the vehicle). Harris stated that he told Klebold "Yeah, we'll try it." Harris told Deputy Walsh that he stood on Deer Creek Canyon Road while Klebold put on a ski glove onto his left hand and tried to "punch out" the passenger window of the van. Harris said that Klebold tried this "three times" unsuccessfully. Harris stated he then put the right ski glove on his hand and attempted to "punch out" the glass one time. Harris told Deputy Walsh that they decided to get a "rock" from the grassy area of the parking lot. Harris stated that Klebold found a round rock, approximately 10-12 inches in diameter. Harris stated that Klebold was finally able to break out the passenger window with the rock after striking the window approximately seven times. Harris said he again stood watch while Klebold was breaking out the window. Harris said after breaking out the window and the rock fell into the front seat of the vehicle, Harris then cleared the glass off of the window. Harris stated he re-entered his vehicle and waited while Klebold removed the property inside the van. Harris stated Klebold put all the property from the vehicle into the back seat of his vehicle, behind the passenger seat. Harris said he estimated that they were in the parking lot for approximately 30-40 minutes, and they were inside the van taking property for approximately 5 minutes. Harris stated once Klebold had taken the property and gotten back into his car they decided to go to Deer Creek Canyon Park to decide what they were going to do with the property, and they were at the park for approximately 5 minutes prior to being contacted by Deputy Walsh.

Jefferson County Sheriff's Sgt. Phillip Lebeda conducted an interview with Dylan Bennet Klebold and his parents, Thomas Klebold and Susan Klebold. After advising Klebold of his Miranda rights, both Klebold and his parents completed a J.C.S.D. Advisement/Waiver and agreed to make a statement.

Klebold told Sgt. Lebeda that he and his friend, Eric Harris, had traveled to the area of Wadsworth and Deer Creek Canyon Road. Klebold told Sgt. Lebeda that he and Harris had discharged fireworks and broke bottles for about 20 minutes. Klebold said that he and Harris then decided they could break into a vehicle and take stuff from it and "not get caught." Klebold stated that he and Harris attempted to gain entry into the vehicle by striking the passenger side window with their hands. Klebold said after striking the window several times, Harris then went and sat in his car in case they had to "get away fast." Klebold said he picked up a rock approximately 6-8 inches in diameter and struck the window at least four times before breaking the window. Klebold said he then entered the vehicle and took several items from inside the vehicle. Klebold told Sgt. Lebeda that he took, "one brief case, one black pouch, one flashlight, a yellow thing, and a bucket of stuff." Klebold said he then carried these items to Harris's car. Klebold also stated that he was wearing black ski gloves belonging to Harris so no fingerprints would be left. Klebold told Sgt. Lebeda that he had no idea what they were going to do with the stolen property. They then drove to Deer Creek Canyon Park where they were subsequently contacted by Deputy Walsh.

Upon completion of the respective interviews Harris and Klebold were transported to the J.C.S.D. Detentions Facility where fingerprints and photographs were taken. Both Harris

JC

and Klebold were subsequently released back into their parents custody, pending filing of criminal charges.

On January 31, 1998, at approximately 4:45 p.m., Deputy Mark Miller was contacted by Ricky Becker. Ricky Becker told Deputy Miller that he had thoroughly examined his work van and noticed several items were stolen from the passenger compartment of the vehicle. Ricky Becker provided Deputy Miller an itemized list of the items he stated were stolen from his vehicle, with a total value stolen of \$1719, and approximately \$100 damage to the passenger side window of the van.

NARRATIVE:

AT ABOUT 2130 I WAS DESPATCHED TO THE AREA OF DEER CREEK CANYON RD AND HWY. 121 REFERENCE CRIMINAL MISCHIEF. I WAS ADVISED BY DEPUTY WALSH TO CHECK THE AREA FOR A VAN THAT WAS ILLEGALLY ENTERED BY TWO SUSPECTS HE WAS IN CONTACT WITH. I ARRIVED TO THE AREA AT ABOUT 2137 AND OBSERVED A WHITE VAN PARKED ON THE DIRT SHOULDER, FACING NORTH ON THE NORTH SIDE OF DEER CREEK CANYON RD, ABOUT 100 YARDS WEST OF HWY. 121. I OBSERVED THE PASSENGER SIDE WINDOW WAS BROKEN. THERE WERE NO OTHER VEHICLES PARKED NEARBY. THE VAN, A WHITE MINI-VAN (SB33094) HAD LARGE LETTERS PRINTED ON THE SIDE AND BACK "WESTOVER MECHANICAL SERVICES" WITH THE PHONE NUMBER TO THE BUSINESS. THE PASSENGER SIDE DOOR WAS UNLOCKED. I OBSERVED A LARGE ROCK IN BETWEEN THE TWO FRONT SEATS. SEVERAL ITEMS INSIDE THE VEHICLE APPEARED TO BE SCATTERED AROUND IN DISARRAY. THE SIDE PANEL DOOR, REAR DOORS, AND DRIVERS SIDE DOOR WERE LOCKED. THERE WAS A STEEL MESH CAGE SEPARATING THE CARGO AREA FROM THE PASSENGER AREA. DISPATCH CONTACTED THE BUSINESS PRINTED ON THE VEHICLE AND LOCATED (W) BECKER WHO RESPONDED TO THE LOCATION. AT ABOUT 2245 (W) BECKER ARRIVED. HE TOLD ME THAT HE PARKED THE VEHICLE AT THE LOCATION AND WENT TO DINNER WITH A FRIEND HE TOLD ME HE LEFT THE VEHICLE AT 2000 AND WAS POSITIVE THAT IT WAS LOCKED. HE TOLD ME THAT ITEMS INSIDE THE VAN HAD BEEN DESTROYED AND GONE THROUGH. HE TOLD ME THAT IT WAS POSSIBLE TO REACH BEHIND THE STEEL CAGE AND ACCESS THE CARGO DOOR. (W) BECKER TOLD ME HE WAS UNSURE IF ANYTHING WAS MISSING AND DUE TO THE CONDITION OF THE INSIDE OF THE VAN HE WOULD INVENTORY IT LATER. I PHOTOGRAPHED THE SCENE AND SECURED THE ROCK AS EVIDENCE. (W) BECKER TOLD ME HE WANTED TO PROSECUTE. I SUBMITTED THE ROCK TO THE EVIDENCE

Investigation

ON 013098, I was on duty and patrolling the South district in unincorporated Jefferson County. At about 2120 hours, I drove into Deer Creek Canyon Park, 13594 Grizzly Drive, Littleton, CO. County of Jefferson. I observed a vehicle parked near the North West corner of the parking lot. The vehicle's lights were out and it appeared the engine was not running. "Deer Creek Canyon Park" is a Jefferson County open space park that closes to the public (to the hour after sunset. The park closes at about 1915 hours on this date, County Ordinance 5,34.12 designates this park as such. The vehicle was facing South east and the interior dome light was illuminated. I could see that the vehicle was occupied by two people. I exited my patrol car and approached the vehicle. I stood behind the vehicle and could see into the vehicle. The vehicle was occupied by what appeared to be two white juvenile males, one seated in the front driver's seat and the other in the rear passenger seat. They appeared to be listening to music and looking for a cassette disk to play. I then observed the passenger, who is later identified as (S) Klebold, Dylan, take a yellow meter, property item # 1 from the floor behind the passenger seat and start to examine it. He was pushing some of the buttons while the driver, who is later identified as (S) Harris, Eric, was watching intently. The meter lit up and the occupants became excited yelling "cool". (S) Klebold then grabbed a small black flashlight, property item # 9 and turned it on. (S) Harris said "Wow! That is really bright." They then grabbed a video control pad, property item # 7 and said "hey, we've got a Nintendo game pad." They kept looking behind the passenger seat on the floor at other property there. I could see a stack of property including a black brief case. (S) Harris then said "hey, we better put this stuff in the trunk" and unlatched the trunk from the interior of the car. He then exited the car and I made my presence known. I asked him what they were doing here and where property were they looking at. (S) Harris said that he and (S) Klebold were "hanging around" near Deer Creek Canyon Road and Underwood Blvd. They were walking near the parking area when they found all the property stacked neatly in the grass. I asked if I could see

<p>the property. He said "Sure" and he and (S) Klebold took the property, property items #1 thru #11 from the car and placed them on the trunk of the vehicle, a 1986 Honda Prelude, Gray 2 door with Colorado registration GBP2LW30. I again asked how they found this property. This time, (S) Klebold told me that they found it in the grass near Deer Creek Canyon Road and Wedgworth Blvd. I told them that I would have to call another Deputy to go by the area to see if any cars had been broken into because it was suspicious that someone would leave this amount of property unattended. I asked them to be honest with me and tell me if they broke into a vehicle and took this property because the other Deputy would be able to determine if any vehicles there were broken into. (S) Harris looked at (S) Klebold and there was a short silence. (S) Klebold then told me that there was a white van parked at Deer Creek Canyon Road and Wedgworth Blvd and they broke out the passenger window and stole all the property that was now on the trunk. Upon this admission, I asked them no further questions. I placed them into custody and kept them separated. I placed (S) Harris in my patrol car and (S) Klebold into Sgt. Lebeda's patrol car. Sgt. Lebeda responded to assist me once I placed them into custody.</p> <p>Deputy Felson arrived, photographed and inventoried the vehicle. See Deputy Felson's report for further details.</p> <p>Sgt. Lebeda contacted both (S) Klebold and (S) Harris's parents and had them meet us at the South Sub Station. I transported (S) Harris to the South Sub Station where I met with his parents, (P.G.) Harris, Wayne and (P.G.) Harris, Katherine. I explained the situation to them then read (S) Harris his rights from the departmentally issued Miranda Waiver form. In the presence of his parents, he said he understood his rights, agreed to waive them and signed the waiver. Both parents also signed the waiver. He told me that he and (S) Klebold had met a friend at the (S) Heckler, 1211 at the Church near Ken Caryl and Kendall. He couldn't remember when he and (S) Klebold left (S) Heckler, but he thought it was about 7:00 hours. He was driving his car which is actually registered to</p>

Parents and (S) Klebold was in the front passenger seat. They drove to the parking area on Deer Creek Canyon road which is just west of Wadsworth Blvd on the North side. They got out and found some empty beer bottles and started smashing them and just "messing around" He drew me a map of the parking area that they were at. His car was parked between a white van and a red truck. The red truck and white van were parked facing North, his car was backed in facing south. He said (S) Klebold looked into the white van and saw some property in it. He asked (S) Harris "Should we break into it and steal it? It would be nice to steal some stuff in there. Should we do it?" (S) Harris said his initial response was "Hell no". They discussed it momentarily but a white car pulled into the parking area so they got back into (S) Harris car. The car was there for about 5 minutes then dropped someone off who got into the red truck. The red truck and the white car then drove off. During this time, they discussed whether they were going to break into the car or not. They agreed that they would. (S) Harris recalled saying "Yeah, we'll try it". (S) Harris stood on Deer Creek Canyon road while (S) Klebold put on a ski glove on his left hand and tried to punch out the passenger window on the van. (S) Klebold tried three times unsuccessfully then (S) Harris tried punching out the glass one time using his right hand and wearing the right handed ski glove. They decided to get a rock from the grassy area to the north of the parking area. (S) Klebold found a round rock about 10" x 10" in diameter. (S) Klebold finally broke out the passenger window with the rock after striking it about 7 times. (S) Harris again stood watch for any cars driving by. Once (S) Klebold broke the window and the rock fell into the front seat of the van, (S) Harris cleared the rest of the glass off of the window. He then went and sat in his car while (S) Klebold removed the property from the van. He described the property taken as:

- "A big black brief case with a lock Dylan said it was heavy"
- "A little cardboard box, like garbage stuff, computer cables"
- "flashlight"

He said (S) Klebold put all the property in the back seat behind the passenger seat. He knows that (S) Klebold opened the front passenger seat because he saw the dome light come on. During this time, a car drove by and (S) Klebold stood by his car. Once the car drove by (S) Klebold went back to the van one last time, opened the passenger door and took some more property. He said they were at this area for a total of about 30 to 40 minutes. They were at the van taking property for about 5 minutes. Once (S) Klebold got into the car, they decided to go to "Deer Creek Canyon Park" and decide what they were going to do with the property. They were there about five minutes before I contacted them.

Sgt Lebeda interviewed (S) Klebold, see his report for further details. I then transported (S) Klebold and (S) Harris to JCSO Jail for a juvenile book-through. I then released them to their parents.

The maps that (S) Harris drew at the parking area where the crime occurred is contained with this report.

I placed all the ~~property~~^{property} that (S) Harris and (S) Klebold took out of the vehicle into JCSO evidence.

According to JCSO dispatch, neither (S) Harris or (S) Klebold have any prior contacts with JCSO or any criminal record.

Eric D. Hartis [redacted]

me and Dylan Klebold were at a church off of Kendall and Ken Caryl with Zach Heckler listening to music. We then left the church (me and Dylan) and proceeded to the North west corner of Wadsworth and Deer Creek Canyon Road. We parked in the gravel and stayed there (in my car) for a few minutes listening to a new music CD. We noticed a white van to the west and a red truck to the east of our position. We got out of my car and looked around for something to do. We found some beer bottles and we broke those for about 15 minutes. We then went back up to my car and Dylan suggested that we should steal some of the objects in the white van. At first I was very uncomfortable and questioning with the thought. I became more interested within about 5 minutes and we then decided to break the passenger window with our fists. I looked for cars and I saw a white car come from the west and pull up beside the red truck. Dylan and I waited in our car for the white car to leave, after about 5 minutes a person got out of the car and into the red truck, then both the truck and the car left going westbound. We then got out of my car and I went out into the street and looked for cars as Dylan hit the window with his left fist 3 times. Then I came over and tried to hit it, one time then we decided to get a rock to use. We went North about 20 feet and Dylan found a rock big enough to have to hold in 2 hands. I went back to look for cars as Dylan broke the window on his 6th try. I then stood by my driver door and looked for cars while Dylan reached through the window and took items from the car and placed them in my back seat. After about 15 minutes (approx) Dylan opened the door twice to get 2 more items and put them in my car. We then left the area and went to the open space area and parked up there. We then began to review the items and I suggested we put them into my trunk. That is when the officer confronted us.

Eric & I were driving home (him driving, his car), & we stopped at the parking lot thingy at Deer Creek rd & Woodsworth. we got out, & he set off a few fireworks, & then we were going around smashing bottles. Then, almost at the same time, we both got the idea of breaking into this white van which was something for an electrical (maybe) company. we hoped to get the stuff inside. I put on a snow glove, & then tried to punch thru the passenger window. I tried like 4 times & then Eric tried a couple times. we then found a rock, & I tried to break the window with that. After about 5 times, the rock broke thru & I unlocked the door from the inside, & took electrical stuff (& other things) - (don't know exactly), & then sped off to Deer Creek open space park, we parked, & turned on the dome light to see what we had. Then an officer saw us, got all that we had, & then went thru the process (arresting).

Investigation

ON 01/30/98 AT ABOUT 2130 HOURS I RESPONDED TO DEER CREEK CANTON PARK TO ASSIST DEPUTY WALSH WITH AN INVESTIGATION. I ARRIVED AT 2137 HOURS. DEPUTY WALSH PLACED (S) KLEBOLD INTO MY PATROL CAR UPON MY ARRIVAL. AFTER A SHORT BRIEFING I CONTACTED JCSO COMMUNICATIONS TO NOTIFY (S) KLEBOLD'S PARENTS AND (S) HARRIS' PARENTS TO MEET US AT THE JCSO SOUTH SUBSTATION.

I DEPARTED DEER CREEK CANTON PARK AT 2210 HOURS AND ARRIVED AT THE SUBSTATION AT 2222 HOURS. UPON MY ARRIVAL THE PARENTS OF (S) HARRIS MET ME, WITH (S) KLEBOLD'S PARENTS ARRIVING A FEW MINUTES LATER.

AT 2253 HOURS, AFTER (PG) KLEBOLD, SUSAN WAS ALLOWED TO CONSULT WITH THEIR ATTORNEY, (PG) KLEBOLD, THOMAS AGREED TO LET ME INTERVIEW HIS SON (S) KLEBOLD. HE INDICATED THIS AGREEMENT BY SIGNING THE WAIVER. (S) KLEBOLD INITIALED & SIGNED THE WAIVER FOLLOWING INTERVIEW AGREEMENT TO TALK WITH ME.

(S) KLEBOLD STATED THAT HE AND HIS FRIEND (S) HARRIS TRAVELED TO THE AREA NEAR WADSWORTH AND DEER CREEK CANTON ROAD. UPON ARRIVAL THEY DISCHARGED FIREARMS FOR ABOUT 30 MINUTES, PLUS STROKE ITEMS WHEREVER. (S) KLEBOLD ALSO SAID THAT HE AND (S) HARRIS THEY DECIDED THEY COULD BREAK INTO A VEHICLE, TAKE SOME FILM IT AND NOT GET CAUGHT.

(S) KLEBOLD STATED HE AND (S) HARRIS ATTEMPTED ENTRY BY STRIKING THE PASSENGER SIDE DOOR WINDOW WITH THEIR HANDS. AFTER STRIKING THE WINDOW SEVERAL TIMES, (S) KLEBOLD STATED (S) HARRIS WENT AND SAT IN THE CAR IN CASE THEY HAD TO "GET AWAY FAST".

(S) KLEBOLD STATED HE PICKED UP A ROCK, ABOUT 6-8 INCHES IN DIAMETER, AND STROKE THE WINDOW AT LEAST 4 TIMES BEFORE THE WINDOW BROKE. (S) KLEBOLD STATED HE THEN ENTERED THE VEHICLE AND TOOK SEVERAL ITEMS FROM THE VEHICLE.

(S) KLEBOLD STATED HE TOOK: 1 BRIDGE, 1 BUCKE POUCH, 1 FLASHLIGHT, A "YELLOW THING" & A BUCKET OF "STUFF".

(S) KLEBOLD STATED HE THEN CARRIED THESE ITEMS TO (S) HARRIS' CAR. (S) KLEBOLD STATED HE WAS WEARING BLACK SKI GLOVES BELONGING TO (S) HARRIS, SO NO FINGERPRINTS WOULD BE LEFT.

(S) KLEBOLD STATED THE VEHICLE HE WENT INTO WAS A LITTLE VAN, WITH A NAME THAT INDICATED IT HAD A "TECHNICAL TYPE NAME". (S) KLEBOLD STATED HE HAD NO IDEA WHAT THEY WERE GOING TO DO WITH THE STOLEN PROPERTY. (S) KLEBOLD STATED THEN (S) HARRIS DROVE THEIR VEHICLE TO DEER CREEK CANTON PARK WHERE DEPUTY WALSH CONTACTED THEM.

INVESTIGATION:

On 2-3-98 at approximately 1530 hours I spoke with Wayne Harris by telephone. Harris identified himself as the father of Eric Harris. Harris stated on the night his son was arrested property items had been removed from the trunk of his son's car. Harris advised me that in the property was a rented video tape, which is not related to the criminal investigation.

I responded to the JCSD evidence vault and was able to retrieve a video tape (Event Horizon) and receipt from JCSD evidence item #4, a black IBM Focus 97 vinyl carrying case originally submitted by Deputy Felsoci. The receipt with the video tape did indicate that the video had been rented by Wayne Harris. The video tape and receipt were removed from the black vinyl bag, which was resealed and returned to JCSD evidence.

On 2-3-98 at approximately 1630 hours Eric and Wayne Harris responded to the JCSD complex. Wayne Harris completed the JCSD return of property/evidence form and the tape and receipt were released to him.

CLEARED BY ARREST: Cleared by arrest.

On 2-4-98, at approximately 0930 hours, I met with Rick Becker at the J.C.S.D. evidence vault. Becker was asked to identify evidentiary items that had been collected by Deputy Walsh and Deputy Felsoci on 1-30-98. Becker reviewed all collected property and identified the above listed items as belonging to him. Becker said these were the items that had been stolen from his work van on 1-30-98.

Rick Becker completed the J.C.S.D. receipt for the return of property evidence indicating he is lawful owner and has not been compensated for the loss by his insurance company. Becker stated he did not believe he had any outstanding property missing from the trespass to his vehicle, but would notify J.C.S.D. if he had any further information.

WITNESS

Walsh, Tim

Deputy- Jefferson Co. Sheriff Dept. 303 271-0211

On 5-10-99 I contacted Walsh and inquired as to his contact with Harris and Klebold. He told me his only contact and knowledge of either Harris or Klebold was a contact and arrest regarding First Degree Criminal Trespass to vehicles and Theft by Receiving. Details to that arrest can be found in JCSO report number 98-2218. Walsh further told me that there was no indication that either were testing or had tested any devices at the location of contact.

No further information.

INVESTIGATION:

On 04-20-99, I was made aware of the situation at Columbine High School. (See my report 99-7625-B).

On 4-20-99, I prepared a search warrant for Dylan Klebold's residence at [REDACTED]. I presented this warrant to Judge Henry Nieto, who signed and sealed the warrant. I provided this warrant to Sgt. Pat Woodin at the Command Post for the Columbine incident.

On 4-21-99, I was told by Sgt. Woodin that this search warrant had not been executed and that I was requested to do so. At that time I realized that the out buildings for the residence at [REDACTED] needed to be added to the search warrant. I amended the search warrant and again took it to Judge Henry Nieto, who again signed and sealed the warrant.

Investigator Art Peterson and I took the warrant to the Command Post, where I met with Sgt. Pat Woodin. Sgt. Woodin informed me that the Arapahoe County Sheriff's Department Bomb Team and Lakewood Police lab personnel were at the residence at [REDACTED] awaiting our arrival. Sgt. Woodin stated that upon our arrival they would search the house for explosive devices prior to our entry into the residence. Investigators Peterson, Craig Schoshke, Mike Felsoci, and myself then went to the residence at [REDACTED].

We arrived at the rural residence at about 1140 hours. The residence is fenced and Investigator Felsoci had to open the gate at the end of the driveway so that we might enter. At the top of the driveway was Jefferson County Sheriff's Deputy Tim Walsh, who had been securing the property. Also present were Arapahoe County Bomb personnel Sgt. Joseph Dempsey, Sgt. Scott Linne, and Deputy Archie Singleton, FBI Special Agent Greg Sexton, and Lakewood Police lab personnel Pat Bohan, and Bob Hille. Upon our arrival with the warrant, these bomb personnel entered the unlocked residence at [REDACTED]. In the residence they located six pipe bombs. They then escorted Lakewood lab personnel into the scene for the purpose of taking photographs prior to removing those objects. Arapahoe County Bomb personnel then exited the residence with Lakewood lab personnel and prepared to remove the devices, which they did successfully, placing them into their bomb trailer and removing

them from the scene . Sgt. John Hicks arrived for the purpose of assisting with the computers located within the residence.

We then entered the residence and began our search, removing numerous items from the residence. (See attached evidence sheets). Sgt. John Hicks checked two computers on the main level of the residence. Additionally, he also checked and seized three computers from Klebold's room. (See Sgt. Hicks' report for details).

All items recovered from the residence were secured within our vehicle. Lakewood lab personnel provided their film to me. Upon completion of the search, we secured the residence, leaving a copy of the search warrant and inventory of items taken on a small hall desk on the main level of the residence. We then left the property, at about 1530, as did Deputy Mike DeNuzzi, who had relieved Deputy Tim Walsh. (See their reports for exact times of personnel in and out of the scene). We returned to Jefferson county Sheriff's Office, where we placed the items seized into the evidence vault.

DISPOSITION: Open, pending further investigation.

On 05-07-99, Special Agent Matt Traver of ATF accompanied me to look at evidence items from the search warrants at [REDACTED] and [REDACTED]. In evidence item #433, a blue suitcase, was also a Tech America catalog dated September 97. The mailing label indicates that it was mailed to Dylan Klebold at the [REDACTED] address. Also inside the suitcase were three pieces of paper, which I copied (see attached).
