INVESTIGATION

On 4-24-99, I opened item #200 from the JCSO evidence vault. Inside item #200 is a Sony 8mm video camera with serial #74415. The camera was engraved on the side "Columbine High School." The battery was not attached to the camera. Using gloved hands I attached the battery and removed the tape from within the camera, using the eject button. The battery was engraved "CHS LMC". The tape had a hand written label, "Top Secret Rampart." FBI Special Agents John Elvig and Jeff Diehl viewed the video tape with me.

The tape begins with Eric Harris utilizing the video camera and video taping Dylan Klebold. On the floor are laid out numerous pipe bombs, to include three Harris describes as the "Charlie Batch" and states they are two inches in diameter and six inches in length; six which appear to be about one inch in diameter and about six inches in length; and twelve which appear to be about one and one half inches in diameter and also about six inches in length. All of these pipe bombs are wrapped in duct tape. Also on the floor is a sawed off shotgun which Harris refers to as "Arlene." While Harris is video taping the shotgun, it appears that "Arlene" is etched into the side of the gun. Also, on the floor is a black long gun which he refers to as a carbine. Thirteen clips are observed on the floor. Harris specifically states that they were from Green Mountain Guns and states, "Yes they did have the right number." Also observed on the floor are two boxes of what appear to be 9mm bullets. Harris points out "My bandolier of stuff", and states it will be filled with "napalm." Also on the floor is a black plastic box which is filled with duct taped items Harris describes as twenty-nine "crickets", and states they are his grenades. Harris then gives the camera to Klebold who video tapes Harris holding some of the guns. The tape then stops and starts again with Harris wearing black BDU's, no shirt and a web type harness, carrying the 9mm carbine attached to a sling, holding the shotgun. At one point Harris places the shotgun into one of the cargo pockets, and then with a web strap secures it, so that it is at his side. Klebold makes a comment about Harris as a "soon to be eighteen year old." This would place the filming of this portion as occurring prior to April 9th. Both of the guns Harris refers to as a carbine and "Arlene" appear to be the same guns which were collected at the scene at Columbine High School. At one point you can hear Klebold refer to "my Tec," and states he wants to do something with it "this weekend, maybe tomorrow." At the same time Klebold says, "My parents are going to fucking Passover," which would place the filming of this tape prior to 4-1-99.

Klebold moves from filming Harris in his lower level family room of his parents residence at [REDACTED] Street, to filming inside Eric Harris's bedroom. I recognize the rooms inside this residence as I executed a search warrant at that residence on 4-20-99. Klebold films the west window inside Harris' room, and calls it a "bunker" and says, "You can't see it, it's buried there." Then he says, "That's why it's called a bunker."

The camera is stopped and re-started again. During the next portion of the film Eric Harris is alone inside of a moving car. Harris is the driver. The camera seems to be recording him from the dashboard. It is dark outside, during this portion of the tape and it appears there are raindrops on the window of the car. At one point you see a street sign that says "Federal." There is music playing in the car which is fairly loud. As a result it is difficult to understand what Harris is saying at times. At one point he references the "The Black Jack Crew" and specifically mentions "Jason" and "Chris." Harris says, "You guys are very cool." He also says, "Sorry dudes, I had to do, what I had to do." Harris also mentions, "Angel," "Phil," and "Bob." Harris says that "Bob is one of the coolest guys I've ever met in my life, except for being an alcoholic." Harris also says he's, going to miss Bob. At one point Harris states, "It is a weird feeling knowing you're going to be dead in 2 1/2 weeks." Harris also mentions not being able to decide "if we should do it before or after prom." At the end of this portion of this video tape Harris mentions, wishing he could have re-visited Michigan and "old friends." At this point he becomes silent and appears to start crying and appears to wipe a tear from the left side of his face. At this point he reaches over towards the camera and it is shut off.

When the video tape resumes it appears that Eric Harris is now holding the camera while he video tapes Dylan Klebold. This is occurring within Dylan Klebold's bedroom, at his parents residence at [REDACTED] Road. This residence is also known to me as I executed a search warrant at that residence on 4-21-99. Klebold appears to be wearing black BDU's, a black t-shirt with "Wrath" in red print across the front. Klebold is attaching something to his pants which appears to be suspenders, black in color. Klebold also attaches some sort of ammo type pouch to his belt or suspenders, which is tan in color, and also a green canvas looking pouch to his right shin. Klebold removes some of the items from an open case on the floor. This appears to be either a small suitcase or hard sided briefcase. Klebold takes a sawed off shotgun and places it into a cargo pocket on his pants and then attaches it with webbing so that it stays in place. Klebold has what appears to be the Tec 9 (which was removed from him at the crime scene) on a sling, over his shoulder. Klebold makes some comment about his "50 round clip." Klebold also

mentioned Brandon Larson and his head being on his knife. Klebold mentions "Robyn" and going to prom with her. Klebold states he didn't want to go. Then also states, his parents are paying for it. Harris makes a comment about having three bags to use. They also talk about wanting to "practice" the next couple of nights. Harris mentions that they got "lasers and more propane today." He also mentions four big black containers and two of some sort of other fuel, the type of which is inaudible. Klebold and Harris begin talking about writing poems in "Kelly's class today," and how ridiculous it was.

They then begin talking about the double barrel shotgun. Klebold says, "Thank's Mr. Steven's." Klebold then begins telling Harris, "He knew I was fucking buying it." Klebold is getting dressed and he puts on his long black trench coat and says, "I'm fat on this side," and then begins talking about how he looks "fat with all the stuff on." Klebold tries to toss the Tec 9 into his hand from the position where it was hanging on the sling. The coat prohibited him from doing that. Klebold then says, "I'll have to take the coat off." He then begins complaining about how he doesn't want to take his coat off and states he likes his coat. They then begin discussing the "fucking snow is gay" in relation to the weather outside saying that they "hope the shit clears out by Tuesday, actually Sunday." Harris states that he "needs dry weather for my fires."

The video tape is then again shut off and re-started. This time the recording is in the family room on the main level of the Harris residence, on [REDACTED]. Again, I recognize the room as I conducted the search warrant on 4-20-99. Harris is filming and states, "Say it now." Klebold states, "Hey mom. Gotta go. It's about half an hour before our little judgement day. I just wanted to apologize to you guys for any crap this might instigate as far as (inaudible) or something. Just know I'm going to a better place than here. I didn't like life too much and I know I'll be happier wherever the fuck I go. So I'm gone. Good-bye. Reb..." Klebold then takes the camera and is filming Harris. Harris states, "Yea...Everyone I love I'm really sorry about all this. I know my mom and dad will be just like just fucking shocked beyond belief. I'm sorry alright. I can't help it." Klebold then interjects, "We did what we had to do." Harris then resumes, "Morris, Nate if you guys live I want you guys to have whatever you want from my room and the computer room." Klebold then states they can also have his possessions. Harris then continues, "Susan sorry. Under different circumstances it would've been a lot different. I want you to have that fly cd." Both then say "Good-bye".

During this portion Klebold is wearing a black baseball style hat backwards, with a "B" outlined in white on the back of the hat.

Klebold has a plaid shirt, which appears to be either black or dark blue with white. The shirt is untucked. He is wearing black BDU type pants tucked into military style lace-up boots. Harris is also wearing a plaid shirt which appears to be black or dark blue with white. It appears there is a white t-shirt under the plaid shirt. The lower portion of Harris' body is not visible. Also on the floor are briefly visible several bags. One appears to be a large maroon bag.

Two copies were made of the 8mm tape taken from evidence item #200, by myself and Special Agent John Elvig. A copy was locked in my desk drawer. A copy was given to Special FBI Agent Jeff Diehl to transport to the command post for this incident. I booked the 8mm tape which I removed from item #200 back into the evidence vault as item #333.

I removed item #265 from the JCSO evidence vault and opened it and Special Agent Elvig and I viewed the 8mm tape. This tape is also Dylan Klebold and Eric Harris in the basement family room at the Harris residence at [REDACTED] Street. Harris is sitting on a couch and Klebold is sitting on an adjacent chair. The majority of the tape is taken from that position while Klebold and Harris discuss a number of different topics.

Harris and Klebold say, "Thanks to Mark John Doe, and Phil John Doe." They then go on to say, "We used them, they had no clue, if it hadn't been them, it would have been someone else over 21."

They go on to talk about Green Mountain Guns and the fact that Green Mountain Guns left a message on Harris' answering machine saying, "Your clips are in." Harris and Klebold laugh about it, and then discuss it as almost having ruined their plan.

They talk about Brandon Larson, discussing, "You will find his body." Klebold and Harris discuss bombs and make reference to "two bags" of "propane and napalm" sitting quietly. They begin discussing the shotgun and "Mr. Stevens."

Harris and Klebold say, "We're proving ourselves." They go on to discuss philosophies. Harris states he is not spending time with his family, so there won't be any "bonding" and "this won't be harder to do." Harris states, "I'm sorry I have so much rage, but you put it on me." Harris goes on to complain about his father and the fact that they had to move five times, and that Harris

was always the new kid in school, and always at the bottom of the "food chain", and had no chance to earn any respect. Harris is wearing a black t-shirt with "Wilder Wein" on the front, and Harris references his shirt several times, but does not explain what it means.

Klebold says, "Fuck you Walsh." They go on to reference "Walsh" patrolling in Deer Creek. Deputy Tim Walsh of the JCSO, does primarily work the districts on the south end of Jefferson County.

At one point Klebold and Harris make some comments about there being a "month and a half left." They again reference Green Mountain Guns and the message left on the answering machine, "Your clips are in." Harris goes on to talk about one of the times they went shooting in the mountains. Harris says his shotgun was in his "terrorist bag sticking out." Harris said he walked by his mother, but she only thought it was his pellet gun. Harris and Klebold go on to discuss several individuals. They make a comment reference a "Dustin Harris" or "Dustin Harrison," and they say, "Everything you say is pointless." They then make reference to "Nick" and say that "he laughs too much." Harris then makes some comment about "██████ and █████" and says they are "Christianic bitches." Harris makes a reference to "shooting them in the head." Harris and Klebold then decide to video tape a tour of "Reb's room" and all the "illegal shit." They then stand up from where they had been sitting and take the camera and begin video taping Eric Harris' lower level bedroom. Harris discusses "Arlene" and talks about it being a 12 gauge Savage shotgun. They make a comment reference, "Thank's to the gun show, and to Robyn," and then they state, "Robyn is very cool." During the this time frame they were sitting on the couch and the chair, and they were drinking from what appeared to be a Jack Daniel's whisky bottle. Harris references the fact that he has the whiskey bottle. They began video taping a desk with a hutch, in Harris's bedroom. Harris points out a pair of gloves which he states he took from a doctor's office, which he uses for "making bombs." He points to numerous packages of fireworks which were on top of a speaker, also on top of the hutch. Harris points out a pop can with several shots through it and numerous shotgun shells which were sitting on the hutch. Harris points to a small "black treasure chest" and says it is a "good hiding place." Harris also points out a small bullet and references it to being his "first bullet." Harris also points out solar igniters, batteries, clocks, and pipes, in a drawer, as well as engines. Harris also pulls out "completed pipe bombs" which he describes as such, from a Home Base bag in one of the desk drawers. Harris then pulls out another Home Base bag which was in one of the drawers in the desk, and points to more pipe bombs and describes them as the "Beta batch." Klebold then discusses a "bunker." He attempts to video tape out the west window of Harris' room, although

it appears to be dark outside and you cannot see anything other than the glare on the window. Klebold states there is a patch of ground, where it is buried under the dirt. Harris states there are "four mortar grenades, ten crickets, and three alfa's " Harris then points to a blue spiral notebook which he describes as his "journal." Also in the desk drawer are two "future bombs" as described by Harris and Klebold, which are clocks. They show a box of "crickets" which appear to be small CO2 cartridges. They then began video taping a dresser on the west wall of Harris' room. He opens up a door and points out a "Hell dog drawing" which is taped to the inside of that door, and references it having been given to him years ago. Next to it is a piece of paper which I recognize as an "Anarchist substitute ingredient list" which I took during the search warrant on 4-20-99 Harris also describes a "25 pound bag of #8 buckshot" which is inside that dresser, but it doesn't show up on the video tape. Harris then pulls out a box for a BB rifle, from what he describes as a hall closet. He states that is where he keeps his shotgun He then pulls a box from within the closet, within his room, and states that this is his knife and pulls it out and states that he paid \$15 for it. The knife is in a black sheath. He then states there is a "Swastika" on it. The camera zooms in where you can see what appears to be a Swastika carved into the sheath.

On the east wall of Harris' room, adjacent to a bedroom door, they point out a coil of green wire type material hanging on a wall and describe it as "50 foot of cannon fuse." They then go to a book case also on the east wall of Harris' bedroom. From there they talk about a "Demon Knight" CD, and open the case, revealing a Green Mountain Guns receipt where they purchased "nine magazines" for \$15 each. Harris then removes a rack of CD'S to reveal three pipe bombs which he describes as the "biggest." Harris then pulls out a small black card file type box and opens it and inside is what appears to be CO2 cartridge bombs which he describes as "29 crickets." Harris then points to an area which you cannot see and states there is a "coffee can in the corner which is full of gun powder." They then video tape a black plastic box that has etched into the side of it, "explosives." This was on the north wall of Harris' bedroom on the floor. Klebold goes on to discuss how Harris' parents took it away. Harris then clarifies they only took the bomb out of it and left him with the box. Inside they video tape clock parts, fuses, tools, and CO2 cartridges. They also video tape a white plastic file case which has "nails for pipe bombs, caps to be filled with gun powder" two boxes containing, 50 each, 9mm bullets, 12 shotgun shells in a box, another box of shotgun shells, clips for a gun, and webbing. Harris then says, "What you will find on my body in April."

The tape is then shut off, and started again at which point Harris and Klebold are again in the lower level family room of Harris' residence. They state it is now "March 18th, in the middle of the night." They begin discussing "Echo and Delta" pipe bombs and whether or not they should put nails on them or not. They then begin discussing that "Religions are gay," and for "people who are weak and can't deal with life."

They state that they need to discuss secondary objectives to place the bombs, places that are "out of the way." Klebold then begins discussing a trail by Wadsworth, "by your old house". According to the in-house computer Eric Harris previously lived at 7844 South Teller Court. They then begin discussing that they should "rig something up with a trip bomb between two trees, so when someone goes down the path it will go off." Klebold and Harris then discuss the possibility of placing "time bombs down there." They then discuss it would be "harder and take more resources." Harris and Klebold then say "This will add a few frags to the list," and that the "fucking fire department is going to be busy for a month."

Klebold and Harris then begin discussing an individual by the name of "██████." They then say the name "██████." Harris then describes how he is going to "shoot ██████ in the groin area." They then mention the name "Jesse Gordon" and the "Goof Troop." Harris and Klebold then begin discussing that "Nigger stopped us that day," and how black people talk in "Ebonics." They then discuss "Spics." They then discuss bowling, and how each individual in the bowling class has a designated culture group to use as a target on the bowling pins to kill and that this assists them in bowling better. Harris and Klebold discuss, "World Peace is an impossible thing." They also then discuss that you can look on the Internet and learn how to make, "bombs, poison, napalm, and how to buy guns if you're underage." They then discussed that "Mrs. X-Y-Z bought our guns."

Harris and Klebold discuss that there is "only two weeks left, and one more weekend" and that "it is coming up fucking quick." They state that the "napalm better not freeze at that certain person's house." They discuss "Chris pizza's house" as if they're trying to disguise a name. They then go on to discuss "Yoshi" in a negative fashion. They say that they need a "lot more napalm" and may just use "gas and oil." They then discuss that it will be tough and opening the zipper may make it go off, and needing some "back-ups." They discuss the sprinkler system may "put out a fire." Harris discusses, he should possibly keep the battery out of the device, set the bag, put it in and leave so it doesn't "blow up in the commons."

They then begin discussing "credit card fraud" and Harris then raises his hand as if he had done it. They then begin discussing "tests" stating, "We wouldn't be where we are without them." They then discuss gas and oil and it being "one hell of a mental picture." They then discuss the possibility of people catching on fire. Harris and Klebold discuss graduation and how it will be a "graduation memorial service with lots of people crying." They also discuss that there will probably be a candle light memorial

Harris states that he's got "100 bullets and 10 loaded clips," and that he needs lasers for his carbine. They then address the camera and say, "You guys are lucky it doesn't hold more ammo." Klebold then begins discussing that he has a, "50 round clip, two 36's, and a 24."

Harris and Klebold begin discussing, "There is a lot of shit to do." They state they need to set up more "propane bombs" and get more containers. Klebold interjects he needs to get his pants, fill his clip and get his pouches to load his shells in. They discuss they need "devices" for the "propane tanks." They state they need more "bomb holders." Harris then begins discussing that they need to go to Radio Shack because he heard there is a "thing to increase the voltage," it some how increases through a clock and speaker, and ignites a solar ignitor. Harris said, he will tell the people he is doing special effects for a movie and "that will be a good excuse."

They state, "We are but we aren't psycho." Klebold asked Harris if he thinks the cops will listen to the whole video. They then discuss that they believe that the video will be cut up into little pieces, and the police will just show the public what they want it to look like. Harris and Klebold discuss the fact that they want to distribute the videos to four news stations, and that Harris is going to scan his journal and then send copies by E-mail, and distribute blue prints and maps. Harris then begins discussing "Tier" and describes it as "My life's work" and wanting to get it "published." I recognized this term from some of the direction type booklets for the video game "Doom", which were taken by myself from Harris' room during the search warrant.

The 8mm tape from evidence item #265 was copied. The original was re-submitted to evidence by me and the copy secured in my desk.

I then removed item #298 from JCSO evidence, two 8mm tapes. One of those tapes is marked "Reb's Tape." It begins with Eric Harris in the driver's seat and another male in the passenger's seat. The voice appears to be that of Dylan Klebold. They state, "We are on our way to get the rest of our gear." They state it is now "Monday, April 11th." Klebold states he has "\$200 dollars on him." Harris states that he is going to "cash a check for \$50." Klebold states that they have been "planning this for over eight months." Harris says, "At least." While they are filming this portion of the tape they are in a car during daylight hours. They pass an intersection which is known to me to be to be "Sante Fe and Mineral."

The camera is turned off and then back on again. The next scene again, is still daylight hours. The street outside I can identify as being Broadway, north of Hampden. Harris is again the driver. They are stopped at a stop light or stop sign on the east side of Broadway. Harris is now smoking a large cigar and states it is his "birthday cigar." Harris' birthday is in fact April 9th. They state they have just purchased two rather large fuel containers, three propane bottles, and Klebold also states he got his pants. The camera is then shut off again.

The camera is turned on again. Harris appears to be alone with the video camera resting either on his knee or something else, and filming directly at his face. Behind him I can see his headboard which I recognize from the search warrant at the residence on 4-20-99, as well as a bulletin board behind the headboard. Harris begins discussing his mother and father and the cops who may want to have his "parents pay". Harris describes his parents as the "best parents" and states that anything they would have tried to do this past year he would have gotten around it. Harris states, "There is no one else to blame but me and Vodka." Harris then states it's been "hard" on him recently. He states his parents have been on his "back for putting things off" such as "insurance, and the Marine Corp." He then discusses, "this is my last week on earth."

Harris says, "To you 'Culios' out there still alive, sorry I hurt you or your friends." He also discusses this is total, "KMFDM." Harris states, "There are 7 and 1/3 days left." Harris then gets an "odd" look on his face and says, "Fucking bitches." He then begins to list names: "[REDACTED], [REDACTED], [REDACTED], [REDACTED] and [REDACTED]." Harris states he is going to be "One tired mother fucker come Monday, and then Boom!" Harris stated, "I'll get shot and die."

Harris goes on to film his planning book and describes it as the "Writings of God." He discusses that his beliefs have changed somewhat during the year, over the course of time he has been writing. When he turns to the page where there are figurines drawn with ammo, bombs, and guns, labeled on their persons, he states it is the "drawing of gear, back when we thought we could get calico's." He points to a picture with two, what appear to be backpacks, labeled "napalm." He states this is the "suicide plan." He then discusses the page which appears to be inventories of bombs. He points to the top of that page and states that these are how many bullets they're going to have. Harris points to some of the drawings in the back and states they are "doom drawings." He points to some other pages which have different drawings, including different types of weapons and states that these are "plans for rocket launchers and such. Most will not see the new world." He then points to more drawings closer to the back of the notebook and states that these are "doom drawings" with a "KMFDM twist to them."

I viewed a second 8mm tape from evidence item #298. This appears to be a tape possibly made for a school project by Klebold and Harris. Klebold and Harris are visible in the tape as well as two other individuals, identified on the tape as "Browsky" and "Tex." These items were booked back into the evidence vault. The tape marked "Reb" from item #298 was copied. The original was placed back into evidence vault and the copy secured in my desk.

INVESTIGATION

On 6-29-99, at about 1545 hours, I removed item #233 from the evidence vault. Item #233 is a micro cassette player containing a micro cassette tape. Item #233 was taken from the Harris residence during the execution of the search warrant on 4-20-99. This item was located on the kitchen table. I copied the micro cassette tape after having removed it from the tape player using gloved hands. I then returned item #233 to the evidence vault. A copy of the tape was provided to Investigator Kate Battan.

The micro cassette player and tape was labeled "Nixon." The voice on the beginning of the tape appears to be that of Eric Harris. The voice is familiar to me from viewing video tapes in which Eric Harris and Dylan Klebold spend a great amount of time talking. On the micro cassette tape the male voice indicates reason why these things are happening and states it will happen in "less than nine hours now." He goes on to say, "People will die because of me," and "It will be a day that will be remembered forever." This portion of the tape only lasts a few moments. After that there appears to be a discussion between numerous individuals, including a male voice which appears to have an oriental accent.

NEXT MISSION=aaaaan whenever.

Ok people, im gonna let you in on the big secret of our clan. We aint no god damn stupid ass quake clan! We are more of a gang. We plan out and execute missions. Anyone pisses us off, we do a little deed to their house. Eggs, teepee, superglue, busyboxes, large amounts of fireworks, you name it and we will probly or already have done it. We have many enemies in our school, therefor we make many missions. Its sort of a night time tradition for us.

Download CORRIDOR.MAP. Its a very close replica of the mission sites. But we have never seen the inside of the house...so we just guessed. Its also cut off where the area isnt important (ya know, i didnt want to put in all of the neighborhood!).

The mission has been done. And the rebels...once again...emerged victorious. Vee falking blew de sheeit outta lossa stoof!!

As for the next mission, we havent decided what to do or where to do it. I had some thoughts about hiding in some large bushes or trees and shooting stuff. Or maybe some more arial attacks. But we need to go up to Wyoming and load up on that stuff. We are running low. Plus we just got our paychecks...they arent big...but they can cover quite a bit of shit. We still need to get the fuses too. So far, the next mission will probly be in July sometime. But we AINT SURE.

6: Awww yeya. This mission was so fuckin fun man. ok, first of all, my dad was the only parent home, so it was much easier getting out...but still hard since all these rocks in my backyard make so much noise. Plus the neighbors faulting dog barking its faulting head off. First we went through the corridor...going through some very tall grass fields...not as tall as the ones in the Lost World, but close. Felt kinda cool. Then we set up the strip of 1132 fire crackers. Using 2 ciggarettes as starting fuses, we had plenty of time to spare. We also had a nice little cracker fountain hooked up to the fuses too. After a few minutes of setting it up, we lit it and went over and hid in ontop of this big cement pipe going under a street. We were on the side of a hill so we hid in the grass. There was also a full moon that night, and not a foaming cloud in the sky. So it was like noon on the equator when we were out in the open. But, black clothing and tall grass sure helps. After about 5 minutes (forever) it began. Beforehand we watched as some lights in the Targets house went on....then off. Maybe the bastard heard something. But when the strip started, he turned his bedroom lights off. The strip lasted for about 30 seconds....we think...it was very fucking long. almost a 11 of it went off. Loud and bright. everything worked exactly how we wanted it to. After about 15 minutes we started down the bike trail to the next target. The first targets lights were on again in the bedroom, but we think we got away undetected. While we were walking to the next target, we shot some stuff. Reh, VoDka brought his sawed off BBgun and a few BB's too. So we loaded it, pumped it, and fired off a few shots at some houses and trees and stuff. We probably didnt do any damage to any houses, but we arent sure. The gun was not loud at all, which was very good. At the next target, we set up the saturn missile battery and the rockets. These both had fuses about 2-3 feet long. I lit them as VoDka and KIBBz were over hiding in the shadows. Luckily there were some trees and stuff at the 2nd target so we could hide pretty good. Anyway, I lit and went over to the others. We watched as the fuses burned and burned...then the rockets went off. It was pretty nice, not so much ment as a prank, but more as a nice little fireworks show. They made some noise, but nothing to shit yer pants about. But the battery didnt work. So i went back, checked it out, and the fuse had burned down to about 2 inches. so i just said up yours baby and lit it. right as i made it to the others it went off. It was pretty quick, and loud too. Since the missiles are whistlers, they probably woke up a few residents. YYY. Then we started heading up to this construction site. Its right on the side of a kinda busy road, but before the houses. We dodged a few cars, messed around at the site. And we also swiped some signs from thi

REBEL NEWS: Yo, this page will be getting some bigass changes soon. Ill be adding some new pages to it such as "New group names" and "Top 10 lists " Gonna have some cool shit. check it out. or ill blow you up. cause jo mamma.....is so fat.

Homework sucks.

Mother fucker blew BIG. Pazzie was a complete success and it blew dee fuck outa a little creek bed. Flipping thing was heart-pounding gut-wrenching brain-twishing ground-moving insanely cool! His brothers havent found a target yet though.

Atlanta, Pholus, Peltro, and Pazzie are complete. for those of you that dont know who they are, they are, they are the first 4 true pipe bombs created entirely from scratch by the rebels (REB and VoDkA). Atlanta and Pholus are each 1 1/4" by 6" pipes, Peltro is 1" by 6", and Pazzie is 3/4" by 5". Each if packed with powder that we got from fountains, mortar shells, and crackerin' balls. Each also has a +14" mortar shell type fuse. Now our only problem is to find the place that will be "ground zero." Me and VoDkA also have made 2 more noisey crickets.

God damnit i'm sick of people saying "wick" when talking about fireworks! Don' falkin' say anothuh falkin' WICK or i's gone to rip yer falkin' HAID off and YOU-rinate down yo' falkin' neck!! ITS FUSE!

Special thanks to Excaluber, KiBBz, <Picture>, VoDkA, Jester, and Imaginos for helping me make this page happen.

Smoke Bombs by the Jolly Roger

Here is the recipe for one helluva smoke bomb:

4 parts [REDACTED]
6 parts [REDACTED]

Heat this mixture over a LOW flame until it melts, stirring well. Pour it into a future container and, before it solidifies, imbed a few matches into the mixture to use as fuses. One pound of this stuff will fill up a whole block with thick, white smoke!

FEDERAL BUREAU OF INVESTIGATION

Date of transcription 06/03/99

On 6/3/99 a source, not in a position to testify, provided the following information:

The source provided information pertaining to the investigation into the Columbine High School shootings which occurred in Littleton, Colorado. On 4/21/99, the day following the shooting the source found an "underground" web site, www.d0x.com, which was utilized by the "Trench Coat Mafia" whose members allegedly included ERIC HARRIS, one of the suspected shooters involved in the killings. A document was found posted on this web site which provided instructions to manufacture pipe bombs and home made napalm. Only portions of this document could be read by the source due to the fact that the document was created using the software program "Microsoft Word" version 8 and the program being used to view the document was an earlier version. The source was able to view properties associated with the file which indicated the file was created by software registered to WAYNE N. HARRIS, [REDACTED], Littleton, CO, which is believed to be ERIC HARRIS' father.

Characteristics described by the writer of the document in making pipe bombs included the following:

- [REDACTED]
- [REDACTED]
- [REDACTED]
- [REDACTED]
- [REDACTED]
- [REDACTED]

the writer's following statements regarding shrapnel could possibly be a reference to the planned attack made on Columbine High:

"As far as [REDACTED] I am not sure that method works. I did try it on the Delta batch, and since they won't be used until NBK it'll be kind of hard to report the

results. You might try asking the survivors if they got a good look at the bomb before it went off and then the remains!"

NBK may be an acronym or reference to the attack on 4/20/99. The writer of the document made several references to a "war" or the "pre-war era" which may also be references to the attack at Columbine High. These statements included:

"Although, some of my tests can not be considered completely accurate since I was short on time and resources because of the war." AND

"Storing gasoline is one of the biggest pain-in-the-ass tasks I have gone through in the pre-war era."

The source indicated the original web site where this document was posted was taken down but there have been at least 15 "mirror sites" which provided access to the document. A "mirror site" is established when the contents of one site is reproduced on a web site with a different URL or internet address. The source believes the sites are taken down by system administrators who sponsor the web sites when they are advised of the content and nature of the "mirror sites." The above described document, believed to have been authored by ERIC HARRIS, is no longer available in it's original form at these "mirror sites." However, a "text" version which can be read using other word processing software, besides Microsoft Word version 8, but containing the same text, is available. The source stated the document currently posted on the "mirror sites" is the same document saved in a text format rather than a Microsoft Word 8 format.
