Hearing Sought Immediately on Gein Charges

WAUTOMA, Wis., Nov. 22 (AP).—The State moved for an immediate hearing of the murder charges against slayer-ghoul Edward Gein by ordering his appearance before Circuit Judge Herbert A. Bunde today.

District Attorney Earl Kileen announced the plan shortly after counsel for the 51-year-old bachelor recluse who has admitted killing and butchering two women and looting other graves moved to get an independent medical opinion on Gein's sanity.

Attorney William Belter had said earlier today he would seek to have Gein examined by a Milwaukee psychiatrist before the mild-appearing little killer makes another court appearance.

Plans Now Indefinite

Just what effect the order for an immediate hearing would have on Mr. Belter's plans was conjectural.

Mr. Belter explained his move by saying, "The defense, in order to have any evidence of value in the future, must obtain it now."

Mr. Belter said he planned to obtain the private opinion on Gein's sanity, because in the event the court commits the prisoner now, on the grounds that he is presently incompetent to stand trial, he might later re-establish his sanity. Under those circumstances, he could be ordered to trial and then would have to prove to a jury's satisfaction that he was insane at the time of the crime.

"The important question is whether Ed Gein is insane now—not three, five or 10 years from now," Mr. Belter said.

Minister Visits

Gein, who was bound over for trial yesterday, wept and prayed with a local minister after his court appearance.

Gein is charged specifically with murder and mutilation last Saturday of Mrs. Bernice Worden, 58, hardware store operator in Plainfield.

He also has admittetd slaying and butchering Mrs. Mary Hogan in December, 1954. Mrs. Hogan operated a tavern in Bancroft.

Gein said Mrs. Worden and Mrs. Hogan were shot to death on impulse when it occurred to him they reminded him of his paralyzed mother, whom he had nursed until she died at their secluded farm home 12 years ago.

Escapee Held For 2 Slayings

BAKERSFIELD, Calif., Nov. 22 (AP).—A man serving 30 days in jail for vagrancy was identified last night as Frank Edward Wetzel, a mental institution escapee sought in the killing of two North Carolina State patrolmen.

Wetzel confirmed his identity after fingerprints on file with the FBI were matched with those taken from a stolen car parked near an alley where he was arrested here Tuesday night.

Wetzel had been the object of an intense manhunt since November 14, when his prints were taken from another stolen car—one of several found along a trail leading from the scene of the double slaying.

The Governor of Mississippi called out the National Guard after Wetzel, 36, escaped from the Willard, N. Y., mental institution October 21. Wetzel had announced that he intended to free his brother, William, 37, who is under a death sentence in the Mississippi State Penitentiary at Parchman.

Wetzel originally had been arrested September 26 and charged with the burglary of a Batavia (N. Y.) gun shop. He had been sent to the mental institution for observation.

Two Bakersfield patrolmen arrested Wetzel Tuesday night when they caught him loitering in an alley next to a sporting goods store that sells firearms.

He put up quite a battle, the officers reported, and was taken to the police station in handcuffs. Once there, however, he calmed down.

Wetzel gave his name as Paul Cameron and the next day was sentenced to 30 days in county jail as a vagrant.

The two North Carolina officers—Wister Lee Reece and James Thomas Brown—were shot down November 5 when they stopped a speeding 1957 sedan. The FBI said a trail of stolen cars led into Kenucky, where a car bearing Wetzel's prints were found.

Dollar Reserve Level Critical in Philippines

MANILA, Nov. 22 (AP).—The Philippine Central Bank announced today that the nation's dollar reserves had dropped to the "dangerous" all-time low of $156 million three days ago.

The bank's acting governor, Andres V. Castillo, attributed the drop to a slump in exports, and continuing requirements for funds to establish "new and essential industries."

Mr Castillo said he felt sure the reserves would increase before the end of the year.
