Kidnaped Girl Safe, FBI Hunts Suspect

VACAVILLE, CALIF. (AP) — A pretty 17-year-old blonde nursery school assistant says a kidnaper kept her terrified during a 300-mile ride up the California coast by brandishing two knives.

"I was scared to death," said Kristine Anderson, found bound and gagged but uninjured Wednesday night in a Little League ball park on the grounds of a state hospital.

The kidnaper was believed by police to be a man who escaped Saturday while being held in the Santa Maria Jail for investigation of two Pasadena holdups and a robbery-kidnap in Albuquerque, N.M.

"He had two kitchen knives, a big one and a small one," Kristine told newsmen.

The girl was discovered by a guard at the state prison-hospital complex. The kidnaper sped off in a car when the guard approached to see why it was parked in an unauthorized area.

"He said he wold call somebody to come and get me in the park," Kristine related. "He promised all the way up the coast that he would let me go."

The kidnaper was belived to be driving a station wagon belonging to Beth Peters, operator of the Peter Pan Nursery School in Arroyo Grande where Kristine worked part-time.

Mrs. Peters and a cook, Matilda Visser, were left bound in a closet Tuesday morning when the man kidnaped Kristine and took the car.

Robert Allen Harvey, 31, was sought by the FBI on a warrant charging unlawful flight to avoid confinement.

Laird Sees 60 Pct. Out By '71

WASHINGTON (UPI) — Defense Sec. Melvin R. Laird says he is confident that 60 per cent of U.S. troops in Vietnam — roughly 300,000 men — can be withdrawn in less than two years.

"There is no question about it," said Laird in an interview on National Educational Television taped Oct. 13 but broadcast Wednesday night.

Laird's statement was in reply to a question by correspondent Paul Niven who asked:

"Do you really believe that Vietnamization can reach the point within a reasonable time, a year or two, that all American combat troops can be withdrawn, leaving perhaps air and ground support?"

The Pentagon chief, however, declined to set a timetable for withdrawals.

U.S. forces in Vietnam numbered 505,600 Oct. 9, of which just over 300,000 are combat troops.

Meanwhile, the division of world justice and peace of the U.S. Catholic Conference urged Wednesday that an amnesty be considered for Vietnam war dissenters who were jailed after refusing to be drafted on grounds of conscience.

Amazing Mets Complete Impossible Dream, 5-3

Continued from First Page

as Swoboda went to third. Watt then held the ball and Swoboda raced on home with the final run for the Mets in their saga of 1969.

The Orioles kicked up just a bit in the top of the ninth when Frank Robinson led off with a walk. By the time the crowd of 58,397 was chanting, "We're No. 1."

Powell forced Robinson at second despite Robby's hard slide and then Brooks Robinson flied out to Swoboda. That put it up to Dave Johnson.

Johnson lofted a fly out to Jones in fairly deep left.

But it was an easy chance for the final out.

The crowd poured onto the field immediately, singing, shouting, waving banners, shoting off firecrackers.

"What next?" asked one sign held up in the middle of the field.

The Mets, needing only one more victory to win the series, were held scoreless by Dave McNally for five innings and then Donn Clendenon hit a two-run homer in the sixth to narrow the Orioles' margin to a single run.

'I Like Killing,' Slayer's Message

SAN FRANCISCO (AP) — "I like killing people," boasts a weekend killer who calls himself Zodiac and numbers five San Francisco Bay area persons among his victims.

Martin Lee, city chief of detectives, said Wednesday the handwriting on a letter acknowledging he killing of a San Francisco taxi driver appears identical to that in notes telling of four other slayings.

In each case the letters from the "Zodiac killer" have gone to newspapers and all have been marked with a crossed circle symbol like a rifle sight.

The latest started: "This is Zodiac speaking. I am the murderer of the taxi driver over by Washington St. and Maple St. last night, to prove this here is a blood stained piece of his shirt. I am the same man who did in the people in the north bay area."
